Identify the primary computer platform used in your business department.

32 Macintosh 114 Windows

If the primary computer platform used in your business department is Windows, check one from each column:

Applications	Operating System
21 Office 2003	82 Windows XP
39 Office XP	29 Windows 2000
54 Office 2000	18 Windows 98
9 Office 97	1 Windows NT
3 Microsoft Works	1 Windows 97

Based on a 7or 8 period day, identify the length of keyboarding computer applications instruction time required of ALL students during middle/jr. high school. Check only one option that best represents the total amount of time dedicated to keyboarding/computer applications during the entire middle/jr. high school experience.

4 6 weeks
40 9 week (1 quarter)
50 18 week (1 semester)
8 27 weeks (3 quarters)
23 36 weeks (2 semesters)
5 3 semesters
3 4 semesters
1 5 semesters
5 Not required

Based on a 7or 8 period day, identify the length of computer applications/technology instruction required of ALL students for high school graduation during the high school experience. Check only one option that best represents your district's requirements.

1 6 weeks
4 9 week (1 quarter)
28 18 week (1 semester)
2 27 weeks (3 quarters)
61 36 weeks (2 semesters)
4 3 semesters
7 4 semesters
1 5 semesters
34 Not required
