Forum 2014

October 11-13, 2014
Cincinnati, OH

The annual Forum is now entering its fourth decade but the format and sessions have been redesigned and refreshed. Every session is designed with the classroom teacher/instructor in mind! Take home specific, actionable ideas that can change how you do business in your own classrooms. Here’s what you’ll find at the 2014 Conclave:

- **Hands-ON! Workshops**: These Hands-ON! sessions are offered in two formats: 3 hour introductory workshops and in-depth full-day workshops. The goal will be to work through a specific topic so that you are ready to act on it when you get home.
- **Concurrent Sessions**: You’ll find a mix of 45-minute sessions presented by business executives, local entrepreneurs, and some of the nation’s leading business/marketing educators.
- **QuickStop Show and Tell sessions**: NEW this year, these QuickStop sessions (15-minutes each) are designed to send you home with a laundry list of actionable ideas. Like a Ted-Talk, each QuickStop presenter is charged with sharing something of significant value while the clock ticks.
- **DeepThink Roundtables**: Don’t confuse these DeepThink sessions with a traditional roundtable. DeepThinks are intended to help work through a problem or idea in a discussion-oriented atmosphere.

Conference Hotel:  Millennium Hotel, 150 West Fifth Street, Cincinnati, OH 45202-2393, 866.449.9746
Registration:  Member-$359.00; Nonmember-$499; Not a member but want to be-$459.00

Nebraska Career Education Conference

June 2-4, 2015
Younes Conference Center, Kearney, NE

The NCE Conference is THE professional development opportunity for career technical educators in all career fields.  This year, entrepreneurship pre-sessions and rotational sessions are planned that will help teachers infuse new strategies and teaching resources into their programs.

Entrepreneurship Themed Pre-Sessions and Rotational "in the works" include:
- HP Life Learning Initiative for Entrepreneurs
- Creating a Culture of Entrepreneurship in Your School/Community
- Engaging Entrepreneurship Events for Nebraska CTE Students
- Lessons Learned-Perspectives from Nebraska Start-Ups
- The Valley County Phenomenon-Building an Entrepreneur-Focused Community and School
- The Maker Space Experience Sweeping the Nation
- Tips, Tricks and Resources for Infusing Entrepreneurship into CTE Classes
