Perkins Secondary RTAM

April 27,2015

Kearney, Nebraska

Alignment with AQuESTT

- **Career Education part of each of the six tenants**
  - Rubric to impact school rating
  - Data and information to inform and support quality schools

4/22/2015

Primary RTAM Focus

- **Federal Monitoring**
  - Areas of finding are fixed
- **Focus on Areas Identified as Concerns**
  - Major concern for state audit findings
  - Potential areas of federal audit finding
- **Data Issues**
  - Course coding, Concentrators, etc.

Advisory Councils

- **Areas of Concern**
  - Need diverse representation
  - Consortium advisory councils cannot be a team of school administrators
  - Must have parents, business/industry, community, etc.
  - Meet at least once a year to provide advice on where to spend Perkins funds

Uses of Funds

- **Areas of Concern**
  - Each LEA must address all nine uses - no longer state aggregate
  - If use of fund is checked, must align with the goals and activities listed
  - Do not just check all boxes for all activities
  - Must have all nine checked for one or more goals/activities

NCE

Uses of Funds

- **Nine Required Funds**
  1. Strengthening the academic, career and technical skills of students in CTE
  2. Link CTE at the secondary/postsecondary level
  3. Provide experiences in all aspects of the industry

NCE

Uses of Funds

- **Nine Required Funds**

    4. Develop, improve or expand technology in CTE

    5. Provide professional development

    6. Develop and implement evaluation of CTE programs with emphasis on special populations

NCE

Uses of Funds

- **Nine Required Funds**

    7. Initiate, improve, expand or modernize CTE

    8. Provide services and activities that are of sufficient size, scope and quality

    9. Provide activities to prepare special populations

NCE

4/22/2015

Uses of Funds

- **Areas of Concern**
  - Must focus on all CTE programs in the consortium, especially with professional development and special population students
  - Not all consortium members or programs must participate equally, but must have the opportunity to participate

Uses of Funds

- **Areas of Concern**
  - Review eligible and non-eligible uses of funds
  - Consumables are not eligible
  - Non-eligible guidelines
    - Must be occupational preparation
    - Must be industry grade equipment

Data Issues

- **Areas of Concern**

  – Performance Measure Goals

  – 13-14 Performance

  – Report Cards

    • Analysis by sub-population

    • Analysis by career field

NCE

Data Issues

- **Areas of Concern**

  – If miss 3 years in a row, NDE must require the investment of Perkins dollars to address the measure until measure is met.

NCE

Data Issues

- ## Monitoring

  – Our current plan was to have a rotational monitoring

  – Continue with rotation, but will add a risk assessment that will trigger a monitoring visit

    • Fiscal or data issues

    • Late submissions or late amendments
