TERMINOLOGY

Class of District – “School districts in this State are classified as follows:

- 1) **Class 1** includes any school district that maintains only elementary grades under the direction of a single school board;
- 2) **Class 2** includes any school district embracing territory having a population of one thousand inhabitants or less that maintains both elementary and high school grades under the direction of a single school board;
- 3) **Class 3** includes any school district embracing territory having a population of more than one thousand and less than one hundred fifty thousand inhabitants that maintains both elementary and high school grades under the direction of a single school board;
- 4) **Class 4** includes any school district embracing territory having a population of one hundred thousand or more inhabitants with a city of the primary class within the territory of the district that maintains both elementary and high school grades under the direction of a single school board;
- 5) **Class 5** includes any school district embracing territory having a population of two hundred thousand or more inhabitants with a city of the metropolitan class with the territory of the district that maintains both elementary grades and high school grades under the direction of a single school board; and
- 6) **Class 6** includes any school district in this state that maintains only a high school, or a high school and grades 7 and 8 as provided in Section 79-411, under the direction of a single school board (79-102 R.R.S.).

Operating Status of Local Public Districts as of the Last Friday in September:

- 1) **Operating** – the district operates an instructional program.
- 2) **Not Operating** – the district does not operate an instructional program.
 - a. **Contracting All Students** – All students are contracted to other districts or agencies.
 - b. **No Students** – this district has no school age children for which it is responsible.

Elementary – Represents data for elementary schools (6-year or less elementary, 7-year elementary, 8-year elementary, middle school, and Special Education).

Secondary – Represents data for secondary schools (2-year junior high 3-year junior high, 3-year senior high, 4-year senior high, 5-year secondary, and 6-year secondary.)

Full-Time Equivalency (F.T.E.) – The indication of the time an individual spends in a position as it relates to the total time in a work week for that position assignment. For example, a half-time employee would have an F.T.E. of .50. In all cases a full-time employee would have an F.T.E. of 1.00. Please note: F.T.E. is not to be interpreted as the number of individuals.

NOTE: F.T.E. values shown in this publication include those Intermediate Education Agency (I.E.A.) personnel working in local school districts/systems.

Membership – Count of students on the current role on the last Friday in September.

Note: “County membership” figures represent the aggregation of districts/system whose administrative offices are located in the county. Example: If a district crosses county lines, their full membership is shown in the county in which the administrative office is located.
