**Organization/Community:** Nebraska Extension

**NETForce Meeting Date:** January 22, 2016

**Please provide a bulleted synopsis of major activities and projects in which you or your organization are engaged that you would like to share with the group.**

- Latino Entrepreneur Assistance → Monthly “Coffee Tables” & Quarterly trainings conducted in Spanish in Lexington, Grand Island, Schuyler & Crete. (In conjunction with Center for Rural Affairs)
- Nebraska Entrepreneurship → Accepted management of website previous owned by UNL Public Affairs. Goal is to connect entrepreneurs with resources – a clearing house of sorts.

- Startup Sprint → Camps for youth in Junior & Senior years of high school. Along the lines of 3 Day Startup, which is an intense, hands-on, team-oriented experience where students put all the pieces in place to start a business after just 48 hours of working together.
- ESI → Camps for youth ages 12-15. You all know about ESI.
- Red Carpet Service Training → Training for front-line employees focused on customer service and tourism. Can be tailored to help business owners train their staff in customer service best practices.

**I welcome the opportunity to partner with other organizations in organizing & delivering training, workshops or seminars regarding a variety of topics for small business owners and entrepreneurs.**
