## State Policies on the Administration and use of the Perkins IV Funds

STATE POLICIES ON THE ADMINISTRATION AND USE OF THE PERKINS IV  
FUNDS

## State Policies on the Administration and use of the Perkins IV Funds

### 1. Division of the Title I, Part C (Local Assistance) Spilt of Funds Between Secondary and Postsecondary Programs

**Nebraska State Policy** The annual Title I, Part C funds will be divided between the secondary and postsecondary program levels based on a split of 55% to secondary eligible recipients and 45% to postsecondary eligible recipients.

### 2. Accountability and Performance Measures

**Nebraska State Policy** Each local educational agency (LEA) receiving Perkins funds must, as a condition of receiving these funds, accept the State’s agreed upon annual statewide performance levels for the core indicators established in the Act.

**Perkins IV Requirements** LEAs falling below 90 percent on any agreed upon performance level will be considered Needs Improvement Agencies and will be required to submit a Program Improvement plan that identifies the planned strategies and activities the agency will employ during the upcoming year to bring its level(s) to the 90 percent compliance rate.

LEAs falling below 90 percent on three or more agreed upon annual performance levels on any agreed upon annual performance level will be considered Priority Improvement Agencies and will be required to submit a detailed action plan that describes the strategies to be implemented for bringing the agency to the 90 percent performance level within two years.

Ultimately, LEAs that fail to submit the required program improvement plans and/or fail to make the required improvements are subject to sanctions which could result in the loss of a portion or all of their allocated funds.

### 3. Requirements of Local Educational Agency CTE Programs Assisted with Section 131 and 132 Funds

**Perkins IV Requirements** Local eligible recipients must qualify for Perkins funds using the Essential Components checklist. This checklist must be completed at the building level for each secondary school.   - B providing career and technical education students with the academic and career and technical skills (including the mathematics and science knowledge that provides a strong basis for such skills) that lead to entry into the technology fields; or
  - C encouraging schools to collaborate with technology industries to offer voluntary internships and mentoring programs, including programs that improve the mathematics and science knowledge of students;
5. Provide professional development programs that are consistent with section 122 to secondary and postsecondary teachers, faculty, administrators, and career guidance and academic counselors who are involved in integrated career and technical education programs, including--
  - A in-service and pre-service training on--
    - i effective integration and use of challenging academic and career and technical education provided jointly with academic teachers to the extent practicable;
    - ii effective teaching skills based on research that includes promising practices;
    - iii effective practices to improve parental and community involvement; and
    - iv effective use of scientifically based research and data to improve instruction;
  - B support of education programs for teachers of career and technical education in public schools and other public school personnel who are involved in the direct delivery of educational services to career and technical education students, to ensure that such teachers and personnel stay current with all aspects of an industry;
  - C internship programs that provide relevant business experience; and
  - D programs designed to train teachers specifically in the effective use and application of technology to improve instruction;
6. Develop and implement evaluations of the career and technical education programs carried out with funds under this title, including an assessment of how the needs of special populations are being met;
7. Initiate, improve, expand, and modernize quality career and technical education programs, including relevant technology;
8. Provide services and activities that are of sufficient size, scope, and quality to be effective; and
9. Provide activities to prepare special populations, including single parents and displaced homemakers who are enrolled in career and technical education programs, for high skill, high wage, or high demand occupations that will lead to self-sufficiency.

#### **4. Requirements of Courses Assisted with Perkins IV Funds**

**Nebraska State Policy** Courses assisted with Perkins IV funds must have NCTE as the primary focus and be integral to an approved program of study with the majority of the content reflecting the knowledge and skill required for that program of study.

#### **5. Program of Study Requirement**

**Perkins IV Requirements** Each LEA receiving Section 131 or 132 funds must provide at least one program of study, as defined in Sections 122(c)(1)(A) of Perkins IV. Programs of study must incorporate secondary and postsecondary elements, lead to an industry-recognized credential or certificate at the postsecondary level, or an associate or baccalaureate degree. Programs of study must also satisfy the organization and operation requirements specified in policy #3.

## **6. Participation in the Perkins IV Funds below 9<sup>th</sup> Grade**

**Perkins IV Requirements** Grades 7 and 8 NCTE courses may be assisted with Section 131 funds only if integral to approved sequences of courses conducted by a high school.

## **7. Minimum Allocations and Consortium Requirements**

### ***Nebraska State Policy and Perkins IV Requirements***

**Secondary** - Pursuant to Section 131(c)(1) a local secondary school must qualify for a minimum allocation of \$15,000 to receive Perkins IV funds. Schools not qualifying for the minimum allocation are encouraged to participate in a consortium. The Nebraska Department of Education has defined two options for a consortium: (1) cooperate with an Educational Service Unit to provide the management and coordination of the Perkins IV Grant or (2) cooperate with an area community college to provide the management and coordination of the Perkins IV Grant.

**Postsecondary** – Pursuant to Section 132(c)(1) a postsecondary institution must qualify for a minimum allocation of \$50,000 to receive Perkins IV funds. Postsecondary institutions not qualifying for the minimum allocation are encouraged to participate in a consortium. The Nebraska Department of Education has defined the option of allowing two or more postsecondary institutions to form a consortium for the management and coordination of the Perkins IV Grant.

## **8. Allocations to Section 131 and 132 Consortia May Not be Redistributed to Individual Members for Purposes or Programs that Benefit Only One Member**

**Perkins IV Requirements** In accordance with Sections 131(f)(2) and 132(a)(3)(B) of Perkins IV, funds allocated to a consortium formed to meet the minimum allocation requirement may be used only for purposes and programs that are mutually beneficial to all members of the consortium. These funds may not be reallocated to individual members of the consortium for purposes or programs benefiting only one member of the consortium.

## **9. Participation in the Partnership for Innovation Statewide Consortium**

**Nebraska State Policy** All secondary and postsecondary institution shall participate in the Partnership for Innovation (PFI) Statewide Consortium by providing the amount of allocation set at not more than 10% by the Leadership Council of the Partnerships for Innovation. The PFI will provide the leadership and resources for the development of statewide systems in support of career and technical education.
