

Activities and Projects Updates Summary

NETForce Meeting Date: January 23, 2015

Please provide a bulleted synopsis of major activities and projects in which you or your organization are engaged that you would like to share with the group.

The Introduction to Entrepreneurship class is very successful this semester with a significant increase to 34 students total in two lecture sections. CCC's Construction Technology students are required to take Intro-to-E-ship as a one of their general education requirements. Other vocational programs recommend the course to their advisees.

In our Campus Incubator, one tenant continues their operations. The other space is currently being advertised for a new tenant (this space is temporality being occupied by the Chartwell Food Service while the Campus Cafeteria is being remodeled). An inquiry has been received for an office type incubator tenant.

CCC-SBI, in conjunction with SBA, SCORE, and the Hastings Chamber, presented a lunch and learn program on October 15, 2014, in Hastings. The program discussed the various aspects of SBA loans. Fifteen people attended.

A seminar on (1), small business legal assistance; (2), small business research tools; and (3), business coaching, was held on December 5, 2014, at CCC-Grand Island. A co-sponsor for the seminar with CCC-SBI was the Open for Business magazine. Twelve people attended.

The CCC-Small Business Institute loan program to small businesses continues.
