

Nebraska's Forgotten Middle

Middle-skill jobs, which require education beyond high school but not a four-year degree, make up the largest part of America's and Nebraska's labor market. Key industries in Nebraska are unable to find enough sufficiently trained workers to fill these jobs.

Jobs by Skill Level, Nebraska, 2012

Demand for Middle-Skill Jobs is Strong

Fifty-eight percent of all jobs in 2012 were middle-skill.
