Children learn as they play. Most importantly, in play children learn how to learn.

- O. Fred Donaldson

Early Childhood Calendar

Suggestions, ideas, and tips to help prepare children for kindergarten through literacy-based play and interaction.

For family members, child care providers, and preschool teachers.

Birth - Kindergarten

“Children learn as they play. Most importantly, in play children learn how to learn.”

- O. Fred Donaldson
Hello!

Just the fact that you are viewing this calendar says that you care about a child in your life and want to help him or her to be ready to enter school when that day comes. These activities will work for you whether you are a family member, child care provider, or preschool teacher.

The suggestions, ideas, and tips in this calendar are simple ways you can help a child to prepare for kindergarten. They can be changed to fit your activities and can be a springboard to further adventures. They are based on research that has been conducted in early literacy. The content was collected and grouped by experts in early childhood education and literacy.

The calendar is undated, so you may begin using it at any point in the year. However, if you choose, you and your child may want to work together to put the dates on the calendar. This provides an opportunity to talk about the number of days in a month, the names of the days, etc.

We welcome your suggestions and ideas for future revisions of this calendar. Please let us know how you are using it and how we can make it better. Feedback should be sent to tricia.parker@nebraska.gov.
Alphabet and Number Practice

Ask me to name as many letters as I can.
Try mixing up the order and asking me to point to different letters. Be sure I understand the difference between upper and lowercase letters.
Talk to me about how uppercase letters are used at the beginnings of sentences and names.
Visit “Get Ready to Read” at www.getreadytoread.org/skill-building-activities. Find activities cards, online games, and other early literacy resources.
Can you help find the shapes on the board?

What shapes do you see around you?
What is your favorite color?
Children are more likely to be fluent readers and enjoy reading more if parents have fun reading to them and if they show children that reading books is a source of enjoyment (Snow, Burns, & Griffin, 1998).

I can look through the pages of books and point out familiar pictures.

I can choose favorite books and pretend to read using pictures to tell a story.

I can begin to notice some letters and words and retell parts of stories.

Research has shown that when adults provide print-rich experiences (opportunities to see lots of different kinds of print) and talk with children about the letters and sounds that they see, children learn more words than their peers who did not (Vukelich, 1994).

I can recognize familiar signs and places in my neighborhood.

I can pretend to read and write lists and name familiar words on signs (Example: STOP Sign).

I can recognize my name and my family members’ names.

<tr>
<td>February 2nd is Groundhog Day. Help me celebrate by talking about writing a story about what the groundhog might be thinking as he comes out of his hole.</td>
<td>Help me build a snowman and sing the Frosty the Snowman song. You can hear it here: <a href="http://youtu.be/pmuJDmjq-xQ">http://youtu.be/pmuJDmjq-xQ</a></td>
<td>February is Black History Month. Help me learn about all people in our community and why we are all special by talking about our heritage and special holidays.</td>
<td>Help me write notes, letters, and cards to the people I love. This is a good opportunity to show me that symbols (such as hearts) can be used in place of words sometimes.</td>
<td>Show me signs in store windows and ask me if I can guess what they say based on their pictures. Explain that stores use these pictures to get customers to buy certain things.</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Help me trace my hand and tape or glue the third and fourth fingers over. This means, “I love you” in sign language. Talk to me about sign language and why it is used.</td>
<td>Teach me the names of the presidents who are honored on President's Day: George Washington and Abraham Lincoln. We can pick books from the library to learn more about these men.</td>
<td></td>
<td>Show me a weather map on TV or in the newspaper. Show me what the symbols mean, and explain that we sometimes use symbols to replace words.</td>
<td>Ask me to bring objects to you by describing them (e.g., Please bring me the big blue bowl, or Please get your fluffy yellow pillow).</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Look online or in a book at the library. Write down as many ways as you can find to say, “I love you.” Choose a few to memorize.</td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>Describe one activity that we loved.</td>
<td></td>

February is Great American Pie Month. Help me make a pie or take me out for a piece of pie. Talk with me about all of the things we could put into a pie. | President's Day is celebrated this month. Talk to me about who the President of the United States is and what that means. |
Research shows that conversation is important when children are young, providing them with experiences that are important to their cognitive and social-emotional growth (Hart & Risley, 1995).

- I can show interest in the sounds of people and events around me.
- I can listen to and follow simple directions.
- I can follow multi-step directions, answer questions, and listen to and recall detail about stories.

Draw something we hear outside.

Draw something from our reading.

I can write my name.

**March**
Draw something from our reading.

Help me paint a watercolor picture of my favorite animal.

I can name familiar objects, animals, and people.

I can describe many familiar items and am understood by most people.

I can ask and answer questions and use many new and different words.

Research says that children benefit from adult/child conversations that are about topics that challenge children’s thinking (Dickinson & Tabors, 2001).

I can write my name.

|          | Help me to write words the way I hear them (phonetically). It’s ok if my spelling isn’t perfect because I’m still learning about letters and the sounds they make. | Help me build my finger and hand strength and skills (dexterity) by: • Lacing beads on a string • Attaching clothespins to a rope or string • Using tongs or tweezers to pick up objects • Practicing buttoning and zipping my clothes • Picking up coins | Draw self-portraits with me, then help me count and label what I’ve drawn (e.g., 2 eyes, 1 nose, 1 mouth, 2 eyebrows, 2 ears, etc.). | Keep writing supplies (e.g., notepad, crayons, pencils, magnetic doodle pad) in the car or in a bag for when we are on-the-go and I have time to play, draw, or write. | Let me practice writing in “fun” places (e.g., On a foggy bathroom mirror, in the snow or sand, in flour spread out on the table, with bathtub crayons in the tub or shower). | Help me find free e-books online that we can read together or that are read to me. http://www.magickeys.com/books/ http://go.unl.edu/r9y http://www.childrensbooksonline.org/ http://pbskids.org/clifford/stories/index.html http://www.cmlibrary.org/bookhive/ http://www.storylineonline.net/ | Help me write down the stories I create. This helps me to think about ideas and to see them in writing. |
Research says young children are strongly influenced by parent models in learning social skills (Dewar, 2009).

I can use words to express my needs and wants.

I can use social greetings among children and adults.

I can use language and appropriate social skills in many different settings.

**Homemade Butter**

1 cup heavy whipping cream
1 tsp. salt
Put into a jar and cover with a lid. Shake hard until it makes butter. Add herbs or honey if you’d like.
Research shows every time you talk with a child you increase their vocabulary and their word count. This interaction has been proven to help children be more successful in school (Hart & Risley, 1995).

I can learn about the sounds of language when you talk with me.
I can learn about the world around me when you talk with me as we are driving.
I can learn to communicate clearly with those around me by talking with them.

Nursery Rhymes We Learned

Recipes We Made
A Good Reader:

- Enjoys reading - has fun looking at books
- Names objects, which helps to develop vocabulary
- Learns the alphabet - knows the names and sounds of letters and points them out
- Holds a book so it can be read and follows the words on a page (awareness of print)

The three little kittens, they lost their mittens,
And they began to cry,
Oh mother dear, see here, see here,
Our mittens we have lost.
What? Lost your mittens? You naughty kittens!
Now you shall have no pie!
Mee-ow, mee-ow, no, you shall have no pie!

The three little kittens, they found their mittens, and
they began to cry,
Oh mother dear, see here, see here,
Our mittens we have found
Put on your mittens, you silly kittens,
and you shall have some pie.
Purr-r, purr-r,
Oh let us have some pie!

The three little kittens put on their mittens,
And soon ate up the pie;
Oh, mother dear, we greatly fear
Our mittens we have soiled.
What! Soiled your mittens, you naughty kittens!
Then they began to sigh,
Mee-ow, mee-ow.
Then they began to sigh.

The three little kittens they washed their mittens,
And hung them out to dry;
Oh, mother dear, do you not hear,
Our mittens we have washed!
What! Washed your mittens, then you’re good kittens, but I smell a rat close by.
Mee-ow, mee-ow.
We smell a rat close by.

Traditional Nursery Rhymes

Read Nursery Rhymes to your children to start engaging them with literacy. They help teach concepts of rhyming words, word families, and new vocabulary.
Hickory Dickory Dock
The mouse ran up the clock.
The clock struck one,
the mouse ran down,
Hickory Dickory Dock.

There was an old woman who
lived in a shoe,
She had so many children,
she didn’t know what to do.
She gave them some broth with
tasty brown bread.
Then kissed them all soundly and
put them to bed.

Twinkle, twinkle, little star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky!
Twinkle, twinkle, little star,
How I wonder what you are.
Jack Spratt could eat no fat,
His wife could eat no lean,
And so between them both,
you see
They licked the platter clean.

Mary had a little lamb,
Whose fleece was white as snow,
And everywhere that Mary went,
The lamb was sure to go.
It followed her to school one day,
Which was against the rules.
It made the children laugh and play
To see a lamb at school.

Jack and Jill went up the hill
To fetch a pail of water.
Jack fell down, and broke his crown,
And Jill came tumbling after.

Jack Spratt could eat no fat,
His wife could eat no lean,
And so between them both,
you see
They licked the platter clean.
Humpty Dumpty sat on a wall. 
Humpty Dumpty had a great fall. 
All the king’s horses and all the 
king’s men, 
Couldn’t put Humpty together again.

The Queen of Hearts 
She made some tarts, 
All on a summer’s day; 
The Knave of Hearts 
He stole those tarts, 
And took them clean away.

Rock-a-bye baby on the treetop, 
When the wind blows the cradle will rock. 
When the bough breaks, the cradle will fall, 
And down will come baby, cradle and all.
Little Miss Muffet sat on her tuffet
Eating her curds and whey.
Along came a spider, who sat down beside her,
And frightened Miss Muffet away.

Old King Cole was a merry old soul,
And a merry old soul was he.
He called for his pipe, and he called for his bowl,
And he called for his fiddlers three.
Every fiddler he had a fiddle,
And a very fine fiddle had he;
Oh there’s none so rare, as can compare
With King Cole and his fiddlers three.

Little Boy Blue, come blow your horn!
The sheep’s in the meadow, the cow’s in the corn!
Where is that boy who looks after the sheep?
Under the haystack fast asleep!

Little Miss Muffet sat on her tuffet
Eating her curds and whey.
Along came a spider, who sat down beside her,
And frightened Miss Muffet away.
Little Jack Horner sat in the corner,
Eating his Christmas pie.
He put in his thumb, and pulled out
a plum,
And said, “What a good boy am I!”

Old Mother Hubbard
Went to the cupboard
to give her poor doggy a bone.
When she got there, her cupboards
were bare,
and so the poor doggy had none.

Hey Diddle Diddle,
The cat and the fiddle,
The cow jumped over
the moon.
The little dog laughed to see such
sport,
And the dish ran away with the
spoon.

Little Jack Horner sat in the corner,
Eating his Christmas pie.
He put in his thumb, and pulled out
a plum,
And said, “What a good boy am I!”
