THE ESSENTIAL QUESTIONS FOR SCHOOL IMPROVEMENT

Data Literacy 1

What do the data show?

Where are we now?

Data Literacy 2
Why might this be?

Data Literacy 2
Why might this be?

Where do we want to be?

How did we get to where we are?

Data Literacy 3
How should we respond?

How are we going to get to where we want to be?

Data Literacy 4

Did our response produce results?

Is what we are doing making a difference?
