

Targeted Teaching Topic

Author: Dan Fernau
School: O'Neill Public

Summary of Topic:

How to Deal with Heredity Traits Passed from Generation to Generation.

Main Curriculum Tie:**Required Materials for Lesson:**

Blue cards in the Ethics Game.

Background for Teacher:

Teacher should be aware of topics listed on the blue cards and ways student can deal with undesirable traits.

Student Prior Knowledge:**Intended Learning Outcome:**

Student will learn of different ways they can deal with certain traits that may be passed on from generation to generation.

Instructional Procedure:

- Students pick 4 cards (blue cards) from Ethics Game.
- Student will look at these genetic traits and list things they could do to help offset any undesirable traits. Example: high cancer risk – do not smoke, regular check-ups, etc.

How to Measure Outcome:

Student will list 3 things they could do to help offset any undesirable traits.
