

## Targeted Teaching Topic

**Author:** Kathy Cahill  
**School:** Arlington Public

**Summary of Topic:**

Diagram of Chain of Infection.

**Main Curriculum Tie:**

Infection control.

**Required Materials for Lesson:**

- Diagram of elements in the chain of infection.
- Blank pages and colored pencils.

**Background for Teacher:**

Knowledge of elements of chain of infection.

**Student Prior Knowledge:**

Understand each element in the chain of infection.

**Intended Learning Outcome:**

Retention of information on how diseases spread.

**Instructional Procedure:**

- Discuss elements of chain of infection with students.
- Ask them to draw an item that will help them remember each element. For example, maybe a filing cabinet for the reservoir or storage place.
- Share their images with class.

**How to Measure Outcome:**

Quiz on chain of infection elements.
