Country Research

Member's Name _____

Country to Research _____

You are going to create a presentation over different aspects of a country. You will report not only about your country but also what would you do if you were doing business in that country. You must use the same country for all the information. First, you will want to review all the Internet sites and Encyclopedias that are available to use to make sure your country is listed. You **CANNOT** copy and paste the information from the web and you **CANNOT** copy the information from the encyclopedia. You have to put the information in your own words.

Assignments:

1. You will type a two-page report over your country and create a title page to your report.
2. You will then prepare a presentation over your country. This will include a 10-slide presentation to be given to your classmates.

Select one county from the below web site. Use the web site: <http://www.settlement.org/cp/english/index.html> and the book "To Kiss, Bow, or Shake Hands" to report information regarding the items listed below:
