

Targeted Teaching Topic

Author: Cathy Kloch
School: Alliance High School

Summary of Topic:

Terminology

Main Curriculum Tie:

Terminology.

Required Materials for Lesson:

- Pen and paper.
- Teacher times activity.

Background for Teacher:

You can use this for any unit with lists or terms.

Student Prior Knowledge:

Knowledge of terms to be used.

Intended Learning Outcome:

Helps students realize how well they know the material. Used as a set.

Instructional Procedure:

- Tell student that they will have 30-60 seconds (teacher decides) to make a list.
- The students are competing and should keep their eyes on their own paper.
- When everyone is ready, tell them the list topic and say start.
- At the end of the time limit, have students count the terms on their list.
- Examples: List as many aerobic exercises as you can. List as many medical prefixes as you can.

How to Measure Outcome:

This can be a competition for points or a prize. Use as a set to begin discussion or a lesson.
