This Board needs a travel expense policy that among other things: (1) defines appropriate functions that Board members may attend at NDE expense; (2) that defines or limits amounts that board members may expend on an annual basis; (3) that defines appropriate levels of reimbursement for meals, mileage, lodging, registration, etc.; (4) that defines the difference between board functions that are reimbursable by the state, and constituent and non-official functions that should be paid for by the member personally or by his/her campaign account.
