NCTE's Purpose....

As an advisory body to the State Board of Education, NCTE will develop and recommend adoption of the following:

- **Standards relating to state approval of higher education institutions that provide educator preparation.**
- **Standards relating to admission to and retention in approved professional education programs leading to teacher and administrator (or special services) certification.**
- **Standards relating to issuance of teacher, administrative, and special services certificates.**
- **Standards relating to certificate endorsements.**

NCTE's Goals.....

Meet three times/year to discuss issues affecting professional preparation and seek solutions to problems impacting the quality of preparation of certified professionals in school settings

With the ultimate goal to:

Provide all Nebraska students with the best educational opportunities possible.
