Think your child is eligible? If you think your child may be eligible for the Migrant Education Program, please contact your local MEP listed on the back of this brochure.

Migrant Education Program (MEP) provides support to migrant children. MEP helps schools respond to the influx of these mobile students to complete a GED and develop skills that are needed to graduate with a high school diploma. The goal is to help migrant students succeed in school and achieve education as required by federal law. The goal is to help migrant students succeed in school.

What is the Migrant Education Program? MEP is ready to support you in helping your child learn and grow. Your involvement will be important in your child’s education. We know that it is very important for parents to be involved in their children’s education.

Why is my help needed? You and/or your child are younger. You may need help with skills or activities. MEP can help you with services. MEP funded services are available to children and programs. MEP funded services can help you and your child with skills or activities.

For your child’s benefit, moving from one school to another may be harmful. Now is the time to learn about the services that are available to help your child succeed. If you think your child may be eligible for services, please call the MEP listed on the back of this brochure. MEP can help you and your child with the things they need to succeed. MEP funded services are available to children and programs. MEP funded services can help you and your child with skills or activities.
