Utilities Information and Assistance

The utility companies should be contacted at the earliest possible time ideally with the first past due bill. The company will work out a realistic payment plan, and once there is a payment plan in effect, the company most likely will not interrupt service.

Black Hills Energy (gas) 1-800-303-0752

Once the family receives a shut-off notice they must call Aquila at once. Customer Service is available 24 hours a day, 7 days a week to work out a payment plan.

Lincoln Electric System (LES) 475-4211

LES will send a disconnect notice when a bill is two months past due, and then the customer will have twelve days before the disconnection occurs. If the customer calls LES as soon as they get the notice and makes reasonable arrangements, the service will not be disconnected.

Lincoln Water System 441-7533

They send a 15 day notice that bill is past due. If the bill is not paid they leave a 1 day shut off notice at the door. You can call the number listed above to work out a payment plan to avoid shut off.

Department of Health and Human Services 471-7000

If a family is on assistance (AFDC/Food Stamps, etc), they should contact their caseworker. The caseworker will help them apply for the Low Income Energy Assistance Program. If the family is not on assistance, they should call 471-7000 and apply for energy assistance. If energy will soon be shut off, or has been disconnected, HHS will advocate with the energy company immediately and let them know a plan for payment is in progress.

Rent and Utilities Assistance

Community Action Partnership 471-4515

Lincoln Action Program's Housing and Resource Counseling Program assists families with crisis needs such as rental deposit, past-due rent or utilities. To apply contact LAP to complete an application over the phone or set an appointment to complete the application in the office.

Catholic Social Services 474-1600

Emergency Services Program will provide help with utility bills and rent. It is recommended to contact them early in the week and as soon as possible before the shut off or eviction notice is received because their process takes time. They will call the utility company for the family. They may only help families with children.

Salvation Army 477-9276

Must sign up with Health and Human Services' Energy Assistance Program first. Then call us for an application and/or an appointment. Applicant must bring to their appointment: application, photo ID, birth certificates and/or Social Security numbers for each household member, proof of income and written reference/denial from HHS caseworker. Rent assistance is a specific grant for those ONLY in a lay-off situation. Must have a letter proving the situation.

St. Vincent de Paul--HELP LINE 435-7968

Leave a message and a volunteer will return your call. They may be able to assist with either partial or complete payment of a utility bill or rent.
