

SPARK Space: Co-Working & Creativity

CCC Entrepreneurship Center

1415 17th Street, Columbus / Located on north side of NPPD Building

SPARK... Entrepreneurship

What Co-Working and Makerspaces offer is a solution to the problem of isolation that many entrepreneurs experience while working from home. We are a place for individuals and small teams can work, meet, be inspired and motivated by the energy and thinking of others.

The CCC Entrepreneurship staff will be available for business coaching, technical training and motivation.

SPARK: Co-Working Space

A shared office environment

We are located in a secure building and provide a friendly atmosphere where we will greet you and have as much (or as little) interaction as you want. Hours: Monday-Friday 8am-5pm

- Group work space fee: \$10 per day (no internet)
- Private office fee: \$15 per day (no internet)
- Internet access fee: \$10 per day
- Group rates available (please call for pricing)

Co-Work Space

SPARK: Creativity Space

An idea incubator Makerspace

The Entrepreneurship Center currently has a computer training room, a second classroom/creativity space, shared office space and photography area. A second location for a culinary space is in development.

Equipment: 3-D mini printer and software, Adobe Creative Suite software and a laser printer/scanner, sewing machines, wood lathe, 18MP Canon DSLR camera, and photo studio equipment (multiple lights, soft-boxes, backdrops and a green screen).

- Fee: \$10 per day / \$50 per month / or \$540 per year
- Internet access fee: \$10 per day / \$25 per month
- Hours: Monday-Friday 8am-5pm

Digital Imaging Studio

SPARK Creativity Space: Quilting Group

Grow your business or pursue your own creative projects in our shared SPARK space.
