

Stage 2: Collect and Prepare the Data

2A. Data Collection Plan

Focus Question:				
What data are currently available that will help answer the focus question?	What factors will be used for disaggregation?	How will the data be prepared and organized?	Who is responsible for collecting and organizing each data source for the team?	Deadline for data to be collected and prepared
EXAMPLE <ul style="list-style-type: none"> 3rd-grade NeSA scores for 2010 and 2011 	<ul style="list-style-type: none"> Gender, race/ethnicity, and classroom teacher 	<ul style="list-style-type: none"> One table for each year. The columns will be NeSA score, gender, ethnicity, and teacher. The rows will be student IDs. 	<ul style="list-style-type: none"> Ralph and Sheri 	<ul style="list-style-type: none"> Next meeting: 3/14/12
