Entrepreneurship Tic-Tac-Toe

Get into groups of 4 to 5 people. Each person should choose a symbol (like tic-tac-toe). Each person must take turns writing a symbol in any empty square on the grid. Object: See how many points you can score. Be sure to stop when 4 of the same symbols are placed in a row.

Each time a symbol is placed on the grid = 1 point
3 in a row = 2 bonus points
4 in a row = 4 victory points and ends the game
