

Targeted Teaching Topic

Author: Jace Pittman
School: Gering High School

Summary of Topic: Who Am I?
Main Curriculum Tie: Important figures in science.
Required Materials for Lesson: Biography of prominent scientists.
Background for Teacher: As per national and state standards, students are required to learn the history of science.
Student Prior Knowledge: Prior knowledge of science history.
Intended Learning Outcome: Gain knowledge and insight into the history of science.
Instructional Procedure: <ul style="list-style-type: none">• Group students into groups of 3-4.• Give each group a biographical sheet of a prominent scientist.• Each group will have a different scientist's biography.• 1 team will pick another group to ask questions and figure out who that scientist is.• They ask questions until they get the scientist right.• Keep track of the number of questions asked per team.• Lowest number of questions asked wins.
How to Measure Outcome: Students will figure out good versus bad questions to ask and gain efficiency in inquiry.
