Employment Verification for a Postsecondary Permit

NDE 20-024
Revised 06-15

Name

Social Security Number*

The applicant named above:

- Meets the educational requirements set by the Postsecondary school to be employed as a teacher.
- Hired to teach college courses to high school students for college course credit.

Postsecondary Subject Endorsement Area Request:

Postsecondary Courses to be taught:

Note: Courses assigned to this teacher by the school system(s) served, represented by students enrolled in these classes, may vary by semester. Teachers and their assigned courses are subject to Nebraska Student and Staff Reporting System (NSSRS) requirements. The postsecondary entity will provide the district/system with certificate information as part of the postsecondary arrangement. For the certificate period the Postsecondary Educational Entity agrees to assign the applicant only to high school dual enrollment courses for which the applicant is appropriately endorsed.

Postsecondary Representative Authorized Signature/Title

Date

Postsecondary Education Entity: _____

*This requirement that a certificate or permit applicant provide his/her social security number is contained in Nebr. Rev. Stat. 79-810. The uses that will be made of this number are criminal background check prior to issuance of a certificate and for purposes of data compilation concerning employment of graduates of state approved teacher education programs and employment of certificate permit holders.
