School System Verification for a Military Teaching Permit

NDE 12-4711
Revised 12-17

The Military Teaching Permit is valid for three years. It can not be renewed. Teachers planning on staying beyond the three years must meet the Nebraska requirements for a regular certificate.

Name

Social Security Number*

The above named applicant has been offered employment by _____

School system to teach the following courses or grade levels _____.

Subject Area/Endorsement Requested: _____

Note: Applicants can only teach in the school system(s) requesting the military permit and in only the endorsement area(s) listed on their Military Teaching Permit.

Applicant Meets the Educational Requirements set in Rule 21 to be employed as a Nebraska teacher.

- Two years of verified teaching experience in an approved and accredited school.
- Holds or have held a regular teaching certificate in another state.
- Completed a Human Relations course or have submitted a written narrative for review.
- Submitted fingerprints to the State Patrol if they have not resided in Nebraska in the last five years.
- Submit verification of military service.

Authorized District Signature/Title:

Date

*This requirement that a certificate or permit applicant provide his/her social security number is contained in Nebr. Rev. Stat. 79-810. The uses that will be made of this number are criminal background check prior to issuance of a certificate and for purposes of data compilation concerning employment of graduates of state approved teacher education programs and employment of certificate permit holders.
