VISION

Accessible, affordable, reliable, progressive, and equitable library services for all Nebraskans regardless of their economic status and geographic location.

WHAT WE DO

The Nebraska Library Commission provides funding and other support (promotion, development, and coordination) for local library programs, products, and services across Nebraska. The Library Commission works with all types of Nebraska libraries, including public, school, college and university, special and institutional to meet the needs of their communities.

HOW WE PROVIDE SUPPORT TO AFTERSCHOOL AND SUMMER ACTIVITIES FOR YOUTH

- Support for Summer Reading Programs and Local Library Makerspaces
- Resources for audiobooks, ebooks, historical and cultural heritage materials, Book Club Kits, online magazine and journal articles, etc.
- Support and encouragement for local library afterschool programs and partnerships
