MISSION

Protecting Lives, Protecting Property, Protecting the Future.

WHAT WE DO

The Nebraska Association of Resources Districts is the trade association for Nebraska's 23 Natural Resources Districts (NRDs). Their mission is to assist NRDs in a coordinated effort to accomplish collectively what may not be accomplished individually to conserve, sustain, and improve our natural resources and environment. Every NRD offers a variety of programs for children and youth, K - 12. In addition, the Nebraska Association of Resources Districts Foundation raises money and assists youth programs that encourage natural resources education and inspiration for students to consider careers in the natural resources field.

The NRDs run/coordinate educational programs, class sessions, tours, summer camps and Envirothon. They work with other agencies to lead projects focused on Land Judging, Range Judging, Adventure Camp about the Environment (ACE Camp), Nebraska Poster Contest, Educational Festivals and more.

CONTACT

Nebraska Association of Resources Districts

601 S. 12th Street, Suite 201
Lincoln, NE 68508
