

## Directions to access all modules on the NDE Digital Learning Center

1. Go to <https://moodle.education.ne.gov/> to access the NDE Digital Learning Center.
2. Click on sign up to create an account. You will need to choose a username and password and enter your email address, first name, and last name to create a new (and free) account.

3. You will receive an email from Dorann Avery at NDE for instructions to complete the registration.
4. You will see a list of available course. You can find the modules under Accreditation and School Improvement – English Learners.

5. By clicking on English Learners, you will see access to all courses. When you click on a course, you will click on Enroll Me. You will be prompted to complete the Pre-Course Survey. Once you fill that out, you can access the course at anytime. You can't access the course until you fill out the Pre-Course Survey.

## 6. Taking the course

The screenshot shows the 'Digital Learning Center' interface. At the top, there is a navigation bar with 'Home', 'Courses', and a user profile for 'Brooke David'. Below this is a search bar and a breadcrumb trail: 'Home > Accreditation and School Improvement > English Learners > 004 Language Instruction Educational Program'. The main content area is titled 'Language Instruction Educational Program' and includes a description of the course. A list of course segments is shown with checkboxes for completion:

- Pre-Course Survey
- Course
- Resource Files
  - Professional Development Facilitator Guide
  - Certificate of Completion
  - Feedback

Click here to access the course. All segments of the course can be found once you access the course.

Professional Development Facilitator Guides are available if using the course for training purposes.

All resources referred to in the course segments can be found here.

A certificate of completion can be printed once participants complete all segments of the course. The box next to source needs to be checked in order for the certificate to be available.
