

THE POWER OF LANGUAGES

to make you college, career, and civic ready

WORLD LANGUAGE WEEK
MARCH 31-APRIL 6, 2019

The power to communicate ideas to an audience without boundaries

Over **70%** of views on YouTube come from outside of the U.S.¹

Facebook is now available in 101 languages with over 300,000 users helping in translation.³

Most common languages used on the internet, by share of internet users

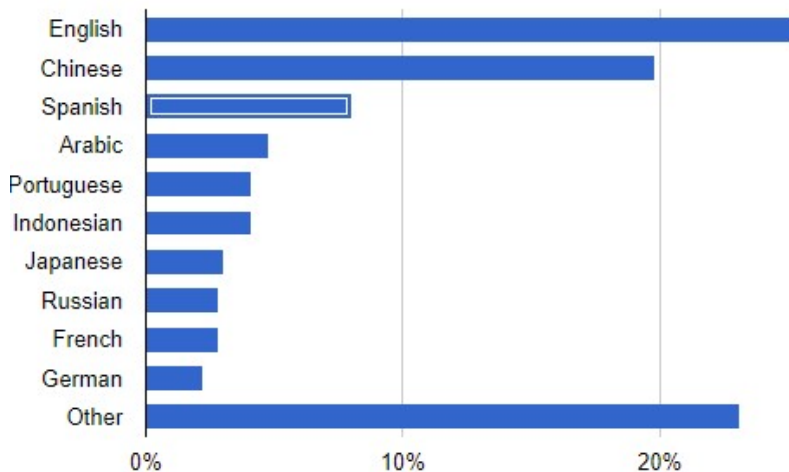

Chart created by Visualizer Lite for Revive.social³

75% of people search for online information in their native language.²
