

Midwest Dairy Council Farm to School Resources

Access our extensive list of resources to learn more about Farm to School projects and activities

Discover Dairy

Find **Discover Dairy** curriculum at discoverdairy.com

- Available for all teachers, create your own user name and password
- Help students learn about dairy farming and nutrient-rich dairy foods
- Incorporates dairy farming into the Common CORE standards

Farm to School

Visit the **Schools & Communities** link at MidwestDairy.com then click on **Farm to School** to find the following resources-

- Take the online tour of a dairy farm
- Find fun dairy farm facts
- Watch videos about dairy farming
- Request a dairy farmer to visit your school

Fuel Up to Play 60

Pick the **Farm to School-Know Your Food Play** under the **Playbook** link at FuelUpToPlay60.com to learn more about funds for the Farm to School Play

Use funds for:

- Permanent signs or mural promoting farm to school
- A dairy farmer to visit your school
- Technology to take a virtual dairy farm tour
- Transportation to a dairy farm

Discovery Education - Undeniably Dairy

Visit the **Caring for Cows and Nourishing Communities** link at DiscoverUndeniablyDairy.com

- Take a 30-minute virtual field trip to a modern day dairy farm
- View short dairy farm videos and photos that feature 360 degree viewing

Access resources. Learn about farms. Apply for funding!

Your school can request up to \$4,000 per school year to support Farm to School initiatives!
