

Friday News Blast

3-6-2020

TIP Survey due today

NDE is considering making some minor changes to the TIP submission including the due date for the TIP and providing set responses for evidence-based strategies/practices. We are also trying to gather data about the TIP trainings that have been offered by request. To get information to guide decision making, we request all who are involved in writing and implementing the TIP fill out the following [survey](#). Additional information was discussed on the Director's call on Friday, February 28. The survey will remain open through the end of **today**.

Position Posting – Applications closing March 13

[Preschool Special Education Specialist](#) (Education Specialist III) Work Location: NSOB – Lincoln

SPED 992 Workshop

Be the teacher who makes a difference! See the SPED 992 Workshop *attachment* for information on Code-based Reading.

Be prepared to include instruction in best practices for teaching reading and the science and signs of dyslexia as well as the interventions, accommodations, and assistive technology for dyslexia (NE LB 1052).

Nebraska LETRS Project

The Nebraska Department of Education (NDE) in partnership with Nebraska Center For Research On Children, Youth, Families and Schools (CYFS) are pleased to announce an opportunity to build statewide capacity in the Science of Reading. Districts or ESU's can identify staff to apply for the project in order to receive 2 years of LETRS training!

This project currently offers all 8 module trainings over a 2 year span with the potential of bringing the early childhood modules to Nebraska also. You can view the link below for detailed information about the project and how to apply. The application is due by **March 31st, 2020**.

If you have additional questions, please contact your NeMTSS Regional Lead. Their contact information is contained within the [link](#) above. Thank you for helping Nebraska build leaders of literacy!

Thanks for all you do. Don't forget, we spring ahead this weekend.
