

School Name: \_\_\_\_\_

**IDENTIFYING DEMOGRAPHIC DATA  
FOR THE SCHOOL PROFILE**

You may use this chart to identify demographic data to be collected, why it will be useful, and who is responsible for collecting it as part of developing and maintaining the School Profile.

Category of Data	What do we want the data to tell us?	Who is responsible for getting the data?	What, if any, additional data should we collect in this area?
School Enrollment (Number of students at each grade level, longitudinal enrollment trends)			
Socio-Economic (Free, Reduced)			
Race, Ethnicity			
Gender			

Attendance Patterns			
Mobility			
Language Proficiency (LEP)			
Other
