(3) of this section without requesting the director at least two days before the designated time to change the time and place for the hearing, except that before an order of the director becomes final, the director may designate a different time and place for the hearing if the permitholder shows the director that the permitholder had a justifiable reason for not coming to the hearing and not timely requesting a change in the time and place for such hearing. If the permitholder waives the right to a hearing, the director shall make a final finding based upon the available information and issue an order. If the director has suspended a permit pursuant to subsection (4) of section 81-2,273, the director shall sustain, modify, or rescind the order.
