Under the Coronavirus Response and Relief Supplemental Apportions (CRRSA) Act

## NEBRASKA DEPARTMENT OF EDUCATION

### Final Allocation of Services and Assistance to Nonpublic Schools

April 15, 2021

The U.S. Department of Education launched the Emergency Assistance for Non-Public School (EANS) initiative through the Coronavirus Response and Relief Supplemental Act (CRRSA) in December 2020. The bill enabled the Governor to secure and for the Nebraska Department of Education to administrate \$17 million in funds to address the impact of the Coronavirus Disease 2019 (COVID-19) through academic recovery and acceleration and supplement safety efforts for K-12 non-public schools in the State.

The allocations below reflect the preliminary distributions of services or assistance that will be made available to eligible non-public schools through the EANS Program, based on data that was supplied by the nonpublic schools for the 2019-20 school year. ***This is only an estimate, based on current data.*** It is likely that all school allocations will change after schools have identified their intent to participate in the EANS Program.

#### Eligibility:

The Department will allocate services or assistance to non-public schools serving K-12 students accredited or approved to operate in accordance with Nebraska Administrative Rule 10 or 14, respectively, prior to March 13, 2020. A non-public school is still eligible for EANS if the school was granted a Personal Paycheck Protection (PPP) prior to December 27, 2020 and/or will not apply for and receive a PPP loan on or after December 27, 2020.

#### Allocation Method:

50% of the total EANS funds are allocated based on Student Enrollment counts and 50% based on reported Free and Reduced Lunch (FRL) counts.

The formula assigns a K-12 per pupil amount for each student enrolled regardless of a student's socioeconomic status and an additional amount provided for students identified as low-income. Eligible schools are allocated a minimum of \$5,000. Each eligible school will submit the required application to participate or decline participation in this program.

#### Timeline:

March 1	Preliminary Allocation of Services and Assistance Posted
March 1	EANS Application Available to Non-Public Schools
March 1-30	Schools Complete and Submit Application
April 1-30	Final Allocation of Services and Assistance Posted
May 1	Schools Qualify Budget and Begin Requesting Services or Assistance

#### Distribution of Services and Assistance:

Services and assistance will be requested by schools and distributed to schools through a third-party vendor, performance period through September 30, 2023. For additional information on allowable services and assistance: U.S. Department of Education: [EANS Program Frequently Asked Questions](#).
