(ESSER III)

Authorized by the American Rescue Plan Act of 2021, Public Law 117-2

LOCAL EDUCATIONAL AGENCY (LEA) ALLOCATIONS

Under the American Rescue Plan (ARP) Act of 2021, the United States Department of Education (USED) will make awards to State educational agencies (SEAs) to help schools safely reopen, sustain healthy operations, and address significant academic, social, emotional, and mental health needs of their students as the country continues to recover from the COVID-19 pandemic.

Section 2001 of the ARP requires the USED to allocate \$121,974,800,000 in awards to SEAs through the Elementary and Secondary Emergency Relief (ESSER) Fund. **Revised June 25, 2021, due to a downward revision by a State to data USED utilized to calculate.**

Methodology for Calculating Allocations

Section 2001(c) of the ARP requires the USED to determine ARP ESSER Fund allocations based on the proportion that each State received under Title I, Part A of the Elementary and Secondary Education Act (ESEA) in the most recent fiscal year. However, section 1122(c)(3) of the ESEA prohibits the USED from considering the Title I, Part A hold harmless provisions in ESEA section 1122 in calculating State or local allocations for any other program administered by the Secretary, including the ARP ESSER Fund. Therefore, to determine the ARP ESSER Fund allocations, the USED utilized the federal fiscal year (FFY) 2020 State shares of Title I, Part A allocations without the application of the hold harmless provisions in ESEA section 1122.

The Nebraska Department of Education (NDE) will allocate no less than 90 percent of the State's grant funds under this program to Nebraska Local Education Agencies (LEAs). Under the ARP ESSER Fund, the USED will award grants by formula to SEAs for the purpose of providing LEAs with emergency relief funds to address the impact of COVID-19 has had, and continues to have, on elementary and secondary schools across the Nation. The use of the funds under this program is broad, flexible, and consistent with the USED's goal that LEAs make every effort to spend funds quickly to address exigent student needs.

LEA Eligibility

The NDE will allocate these funds to LEAs based on their respective shares of funds received under Title I, Part A of the Elementary and Secondary Education Act of 1965 in FFY 2020. An LEA that did not receive Title I, Part A funds in school fiscal year 2020-21 (either because the district was not eligible or because it declined funding) would not generate a share of ARP ESSER Funds. LEAs are not required to provide equitable services, however, will be required to reserve at least 20% of the funds to address 'learning loss' through evidence-based interventions under the ARP ESSER Fund.

Department Uses of Funds

The NDE will use 5% for 'learning loss', 1% for summer enrichment programs, 1% for afterschool programs, and the remaining funds for emergency needs as determined by the NDE to respond to COVID-19, which may be addressed through subgrants or contracts. From this reserve, the NDE may use not more than 1/2 of 1 percent for administrative costs.

Under the ARP Act, the NDE was appropriated **\$546,290,147**, of which a minimum LEA distribution of \$491,661,132 is required to flow through to LEAs as subgrants. The Department can retain no more than \$54,629,015 for state-level activities related to COVID-19, which includes \$2,731,451 for administration.

*On March 24,2021, the USED released 2/3 of the State's allocation to the NDE

** USED expects to release the remaining 1/3 of the state's allocation later this spring after an application process is completed by the state and reviewed by the USED
