

**i-Ready® Diagnostic Threshold Levels
2022-2023**

In the table below, the number ranges in the unshaded rows of columns A–C are i-Ready Diagnostic scale score ranges that students should achieve to be on track for progressing toward becoming proficient readers in grade 3. Students with scores below these ranges may be “at risk” for not reaching proficiency in reading by the spring of grade 3.

The single **bolded** numbers in the shaded rows are for students who likely have significant reading deficiencies. Students with scale scores on i-Ready Diagnostic at or below these numbers will likely need intensive intervention to get back on track to ensure proficiency in reading by the spring of grade 3.

Vendor	Assessment Title	Grade Level	Threshold Level		
			Fall Score	Winter Score	Spring Score
Curriculum Associates	<i>i-Ready® Diagnostic</i>	K	348-366	372-390	397-415
			295	320	344
		1	406-424	430-448	455-473
			347	374	401
		2	473-491	492-510	512-530
			419	441	463
		3	513-531	529-547	545+
			474	491	507

Disclaimer: Threshold levels are determined by the assessment provider. For more information about the assessment and/or threshold levels, please contact the assessment provider directly.
