Sanitizer Log

Instructions: Employees will record the reading once a day and record corrective action, if taken. The person in charge or his/her designee will verify that employees use the appropriate test strips for the sanitizing solution bucket and will review the log at the conclusion of each month. Maintain the log for 1 year plus the current year.

Type of Sanitizer Used: Specify: _____ **Date:**_____

Date	Strip Tested Results (Mark "OK" if strip reveals appropriate concentration)	Time	Corrective Action	Initials of Person
