## Calculation of 2021/22 Prior Year Correction for the 2022/23 State Aid Certification

In addition to the items that make up a Local System's calculated State Aid for a given year, each year's actual State Aid payments may include adjustments to the prior year's State Aid calculations in accordance with statutory provisions. The corrections to the 2022/23 payments primarily reflect the recalculation of 2021/22 State Aid based on the incorporation of 2020/21 ADM data in place of 2020/21 Fall Membership and allowing the local effort rate to "float" during the recalculation process. Reference: State Statute 79-1065
