Nebraska Afterschool
In-person or Virtual Conference

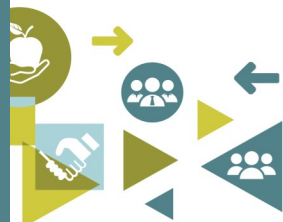

Certificate of Professional Development Hours

This workshop is co-sponsored by the Nebraska Department of Education's 21st Century Community Learning Center Program and may be used to satisfy _____ hours of the Nebraska Department of Health and Human Services' annual training requirements for child care licensing.

_____ participated in the Nebraska Statewide Afterschool Conference, as documented on reverse side.

Jan Handa, Coordinator, Nebraska 21st Century Community Learning Centers
Nebraska Department of Education

Use this fillable form to self-report your professional development hours for the conference. Participating in sessions (in-person or streaming, viewing videos from the on-demand library and book club meetings can be included. Be sure to enter your total hours of participation on the front of the certificate as well as your name. If you attended the conference in person you can receive 7 hours of credit.

If you participated the full day of the conference you will receive 7 hours of credit. The times on the pre-recordings are listed.
