4. Please provide any additional information about the information provided above:

Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2019-20. ([§205\(a\)\(1\)\(C\)\(iii\)](#), [§205\(a\)\(1\)\(C\)\(iv\)](#))

Are there programs with student teaching models?

☒ Yes

☐ No

If yes, provide the next two responses. If no, leave them blank.

Programs with student teaching models (most traditional programs)	
Number of clock hours of supervised clinical experience required prior to student teaching	100
Number of clock hours required for student teaching	640

You have programs with the teacher of record model, but "years required for teaching as the teacher of record" is 0. Please correct the data, or confirm.

☒ I confirm that there are 0 hours required

Are there programs in which candidates are the teacher of record?

☒ Yes

☐ No

If yes, provide the next two responses. If no, leave them blank.

Programs in which candidates are the teacher of record in a classroom during the program (many alternative programs)	
Number of clock hours of supervised clinical experience required prior to teaching as the teacher of record in a classroom	100

Programs in which candidates are the teacher of record in a classroom during the program (many alternative programs)

Number of years required for teaching as the teacher of record in a classroom

0

All Programs

Number of full-time equivalent faculty supervising clinical experience during this academic year (IHE staff)

[Optional tool](#) for automatically calculating full-time equivalent faculty in the system

3

Number of adjunct faculty supervising clinical experience during this academic year (IHE staff)

4

Number of cooperating teachers/K-12 staff supervising clinical experience during this academic year

59

Number of students in supervised clinical experience during this academic year

55

Please provide any additional information about or descriptions of the supervised clinical experiences:

College of Saint Mary Teacher Education candidates begin supervised practicum/field experiences the first semester they are enrolled and continue to engage in field experiences throughout the entire program. In Nebraska, Clinical is defined as student teaching experience. Numbers represent student teaching/clinical hours and faculty only.

Enrollment and Program Completers

In each of the following categories, provide the total number of individuals enrolled in teacher preparation programs for an initial teaching credential and the subset of individuals enrolled who also completed the program during the academic year.

(§205(a)(1)(C)(ii))

THIS PAGE INCLUDES:

>> [Enrollment and Program Completers](#)

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Enrolled Student](#)
- [Program Completer](#)

Enrollment and Program Completers

2019-20 Total	
Total Number of Individuals Enrolled	147
Subset of Program Completers	42

Gender	Total Enrolled	Subset of Program Completers
Male	18	7
Female	129	35
Non-Binary/Other	0	0
No Gender Reported	0	0
Race/Ethnicity	Total Enrolled	Subset of Program Completers
American Indian or Alaska Native	2	1
Asian	1	0
Black or African American	3	2
Hispanic/Latino of any race	13	0
Native Hawaiian or Other Pacific Islander	1	0
White	122	38

Race/Ethnicity	Total Enrolled	Subset of Program Completers
Two or more races	5	1
No Race/Ethnicity Reported	0	0

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

- >> [Teachers Prepared by Subject Area](#)
- >> [Teachers Prepared by Academic Major](#)

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Academic Major](#)

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2019-20.

For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. [\(§205\(b\)\(1\)\(H\)\)](#)

What are CIP Codes?

☐ No teachers prepared in academic year 2019-20

If your program has no teachers prepared, check the box above and leave the table below blank (or [clear responses already entered](#)).

What are CIP codes? The Classification of Instructional Programs (CIP) provides a taxonomic scheme that supports the accurate tracking and reporting of fields of study and program completions activity. CIP was originally developed by the U.S. Department of Education's National Center for Education Statistics (NCES) in 1980, with revisions occurring in 1985, 1990, and 2000 (<https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55>).

CIP Code	Subject Area	Number Prepared
13.10	Teacher Education - Special Education	11

CIP Code	Subject Area	Number Prepared
13.1202	Teacher Education - Elementary Education	14
13.1203	Teacher Education - Junior High/Intermediate/Middle School Education	7
13.1210	Teacher Education - Early Childhood Education	3
13.1301	Teacher Education - Agriculture	
13.1302	Teacher Education - Art	1
13.1303	Teacher Education - Business	2
13.1305	Teacher Education - English/Language Arts	3
13.1306	Teacher Education - Foreign Language	1
13.1307	Teacher Education - Health	
13.1308	Teacher Education - Family and Consumer Sciences/Home Economics	
13.1309	Teacher Education - Technology Teacher Education/Industrial Arts	2
13.1311	Teacher Education - Mathematics	1
13.1312	Teacher Education - Music	0
13.1314	Teacher Education - Physical Education and Coaching	
13.1315	Teacher Education - Reading

13.1328	Teacher Education - History	
13.1329	Teacher Education - Physics	

CIP Code	Subject Area	Number Prepared
13.1331	Teacher Education - Speech	
13.1337	Teacher Education - Earth Science	
13.14	Teacher Education - English as a Second Language	1
13.99	Education - Other Specify: 	

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2019-20. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. ([§205\(b\)\(1\)\(H\)](#))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education–Chemistry" category.

What are CIP Codes?

Do participants earn a degree upon completion of the program?

- ☒ Yes
- ☐ No

☐ No teachers prepared in academic year 2019-20

If your program does not grant participants a degree upon completion, or has no teachers prepared, leave the table below blank (or [clear responses already entered](#)).

CIP Code	Academic Major	Number Prepared
13.10	Teacher Education - Special Education	11
13.1202	Teacher Education - Elementary Education	14

Program Assurances

THIS PAGE INCLUDES:

>> [Program Assurances](#)

Respond to the following assurances. Note: Teacher preparation programs should be prepared to provide documentation and evidence, when requested, to support the following assurances. [\(§205\(a\)\(1\)\(A\)\(iii\); §206\(b\)\)](#)

Program Assurances

1. Program preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.
- ☒ Yes

☐ No
2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.
- ☒ Yes

☐ No
3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.
- ☒ Yes

☐ No

☐ Program does not prepare special education teachers
4. Prospective general education teachers are prepared to provide instruction to students with disabilities.
- ☒ Yes

☐ No
5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.
- ☒ Yes

☐ No
6. Prospective general education teachers are prepared to provide instruction to students from low-income families.
- ☒ Yes

☐ No
7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.
- ☒ Yes

☐ No
8. Describe your institution’s most successful strategies in meeting the assurances listed above:

College of Saint Mary maintains close relationships with human resources offices in local school districts and tracks hiring trends. Candidates are encouraged to pursue education endorsements in areas of need such as Special Education, English as a Second Language, Mathematics, and Science. Making Special Education and English as a Second Language endorsements available to the post-bachelor’s program in 2008 significantly increased the number of graduates who obtained those endorsements. The program’s number of practicum hours in genuine and diverse classroom settings have been maintained to provide candidates with many opportunities to work with actual classroom teachers. These experiences enable candidates to become involved in and develop understanding of instructional decisions made by practicing teachers. All teacher candidates, including those seeking endorsement in Special Education, must complete 47 credit hours of a core curriculum in liberal arts which include language arts, mathematics, natural sciences, social sciences, fine arts, philosophy, and psychology. Special education K-6 teacher candidates are required to do a dual major in elementary and special education. This creates a basis of understanding around grade level expectations and elementary standards. All

teacher education candidates at College of Saint Mary take a general overview course SPE 101/501 and a second special education course SPE 240/540. Within these two courses, general education preservice teachers learn about teaching diverse learners and the referral process. As a part of the overview in SPE 101/501 candidates are introduced to common characteristics of disabilities and the concept of differentiated instruction and co-teaching to meet the needs of diverse learners. Within this course candidates are introduced to the referral and IEP/IFSP process. Examples of SAT, MDT and IEP/IFSP forms used are provided within the instruction piece to acquaint candidates with varying roles the general education teacher plays in this process. Additionally, all candidates are required to complete a 10 hour special education classroom observation in conjunction with this course. Candidates are asked to observe how the general education teacher uses technology and methodologies to reach all students within the classroom. Units required in SPE 101/501 focus on working with English Language learners, co-teaching and RtI practices. All Teacher Education candidates are required to take SPE 240/540. Within this course, candidates learn to strengthen communication skills with professionals, paraprofessionals, future students and parents. Content includes looking at communication skills needed to be part of a collaborative team of professionals. Role playing of difficult classroom situations including situations with parents, students and professionals is a part of the course. Within the classroom instruction, teacher candidates participate in mock parent/teacher conferences, and outlines of SAT, MDT and IEP/IFSP meetings. A required unit in this course focuses on students living in poverty. Candidates enrolled in SPE 240 are required to complete a 10 hour service project. Most College of Saint Mary teachers obtain positions in urban schools upon graduation. Therefore, the program places candidates in field experience and clinical practice settings with diverse populations of students, including those from low SES families, limited English speaking students, and children of varied races, ethnicities and abilities. The program's strong partnerships with local school districts and community agencies enable candidates to develop extensive skills in teaching all children in all settings.

Annual Goals: Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

[\(§205\(a\)\(1\) \(A\)\(i\), §205\(a\)\(1\)\(A\)\(ii\), §206\(a\)\)](#)

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- [Quantifiable Goals](#)

THIS PAGE INCLUDES:

[>> Report Progress on Last Year's Goal \(2019-20\)](#)

[>> Review Current Year's Goal \(2020-21\)](#)

[>> Set Next Year's Goal \(2021-22\)](#)

Report Progress on Last Year’s Goal (2019-20)

1. Did your program prepare teachers in mathematics in 2019-20?

If no, leave remaining questions for 2019-20 blank (or [clear responses already entered](#)).

- ☒ Yes
- ☐ No

2. Describe your goal.

Our goal is to encourage more students to go into the field of mathematics. Since we are a women's college, we deal with mindsets of girls can't do math. We are working on that mindset in our math classes that are required of all students.

3. Did your program meet the goal?

- ☐ Yes
- ☒ No

4. Description of strategies used to achieve goal, if applicable:

We wanted to have more than 1 student pursue the field of mathematics.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

We will work with enrollment to convince students to come to CSM and think about pursuing teaching in the mathematics field.

6. Provide any additional comments, exceptions and explanations below:

Review Current Year's Goal (2020-21)

7. Is your program preparing teachers in mathematics in 2020-21? If no, leave the next question blank.

- ☒ Yes
☐ No

8. Describe your goal.

We want to continue the goal of changing the mindset of our students and encouraging them to think of going into mathematics.

Set Next Year's Goal (2021-22)

9. Will your program prepare teachers in mathematics in 2021-22? If no, leave the next question blank.

- ☒ Yes
☐ No

10. Describe your goal.

We have many students coming into the program and we hope a few of them will go into teaching math.

Annual Goals: Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

[\(\\$205\(a\)\(1\) \(A\)\(i\), \\$205\(a\)\(1\)\(A\)\(ii\), \\$206\(a\)\)](#)

- >> [Review Current Year's Goal \(2020-21\)](#)
- >> [Set Next Year's Goal \(2021-22\)](#)

Report Progress on Last Year's Goal (2019-20)

1. Did your program prepare teachers in science in 2019-20?

If no, leave remaining questions for 2019-20 blank (or [clear responses already entered](#)).

- ☒ Yes
- ☐ No

2. Describe your goal.

Our goal is to help these students stay in the science field and become teachers at the middle school or high school level.

3. Did your program meet the goal?

- ☒ Yes
- ☐ No

4. Description of strategies used to achieve goal, if applicable:

At both our undergrad and graduate level, we had students that had an interest in teaching science.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

We hope to continue convincing students to pursue a goal of teaching science.

6. Provide any additional comments, exceptions and explanations below:

Review Current Year's Goal (2020-21)

7. Is your program preparing teachers in science in 2020-21? If no, leave the next question blank.

- ☒ Yes
☐ No

8. Describe your goal.

We hope to increase the number of students entering in the science field every year.

Set Next Year's Goal (2021-22)

9. Will your program prepare teachers in science in 2021-22? If no, leave the next question blank.

- ☒ Yes
☐ No

10. Describe your goal.

We have several students coming to CSM that are interested in teaching science.

Annual Goals: Special Education

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

Report Progress on Last Year's Goal (2019-20)

1. Did your program prepare teachers in special education in 2019-20?

If no, leave remaining questions for 2019-20 blank (or [clear responses already entered](#)).

- ☒ Yes
- ☐ No

2. Describe your goal.

We are preparing our students in special education and our numbers have increased at the undergrad and grad level. With an early exposure to students with disabilities and special needs out students have been drawn to working with the students.

3. Did your program meet the goal?

- ☒ Yes
- ☐ No

4. Description of strategies used to achieve goal, if applicable:

We have a strong special education department that gives the students many experiences in special education.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

Due to Covid, it was difficult to get the students out into the classrooms, but we were able to watch some of the classes virtually. This coming year, we are planning on being back out into the classrooms and working with our students of special needs.

6. Provide any additional comments, exceptions and explanations below:

Review Current Year's Goal (2020-21)

7. Is your program preparing teachers in special education in 2020-21? If no, leave the next question blank.

- ☒ Yes
☐ No

8. Describe your goal.

Our goal will be to increase the number of students and increase the amount of time that our students work with children that are special needs.

Set Next Year's Goal (2021-22)

9. Will your program prepare teachers in special education in 2021-22? If no, leave the next question blank.

- ☒ Yes
☐ No

10. Describe your goal.

We have several students that are coming to us next year that are interested in special education.

Annual Goals: Instruction of Limited English Proficient Students

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students.

[\(\\$205\(a\)\(1\) \(A\)\(i\), \\$205\(a\)\(1\)\(A\)\(ii\), \\$206\(a\)\)](#)

- [Quantifiable Goals](#)

Report Progress on Last Year's Goal (2019-20)

1. Did your program prepare teachers in instruction of limited English proficient students in 2019-20?

If no, leave remaining questions for 2019-20 blank (or [clear responses already entered](#)).

- ☒ Yes
- ☐ No

2. Describe your goal.

Yes, our goal is to keep the program endorsement, but we are finding less students enrolled in the program.

3. Did your program meet the goal?

- ☒ Yes
- ☐ No

4. Description of strategies used to achieve goal, if applicable:

We had one student that was given an ESL endorsement.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

We are finding that few students are interested in this endorsement. We are hoping the districts will have openings in ESL and that will entice students to pursue an endorsement.

6. Provide any additional comments, exceptions and explanations below:

Review Current Year's Goal (2020-21)

7. Is your program preparing teachers in instruction of limited English proficient students in 2020-21? If no, leave the next question blank.

- ☐ Yes
☒ No

8. Describe your goal.

Set Next Year's Goal (2021-22)

9. Will your program prepare teachers in instruction of limited English proficient students in 2021-22? If no, leave the next question blank.

- ☐ Yes
☒ No

10. Describe your goal.

Assessment Pass Rates

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. [\(\\$205\(a\)\(1\)\(B\)\)](#)

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact RTI's Title II Support Center and your testing company representative.

Summary Pass Rates

Group	Number taking tests	Number passing tests	Pass rate (%)
All program completers, 2019-20	43	38	88
All program completers, 2018-19	47	40	85
All program completers, 2017-18	57	55	96

Provide the following information about the approval or accreditation of your teacher preparation program. [\(§205\(a\)\(1\)\(D\), §205\(a\)\(1\)\(E\)\)](#)

Low-Performing

1. Is your teacher preparation program currently approved or accredited?

- ☒ Yes
- ☐ No

If yes, please specify the organization(s) that approved or accredited your program:

- ☒ State
- ☐ CAEP
- ☐ AAQEP
- ☒ Other specify:

Higher Learning Commission

2. Is your teacher preparation program currently under a designation as "low-performing" by the state?

- ☐ Yes
- ☒ No

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

>> [Use of Technology](#)

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request. [\(§205\(a\)\(1\)\(F\)\)](#)

Does your program prepare teachers to:

a. integrate technology effectively into curricula and instruction

- ☒ Yes
- ☐ No

b. use technology effectively to collect data to improve teaching and learning

- ☒ Yes
- ☐ No

c. use technology effectively to manage data to improve teaching and learning

- ☒ Yes
- ☐ No

d. use technology effectively to analyze data to improve teaching and learning

- ☒ Yes
- ☐ No

2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

The university's commitment to technology provides continuous opportunities for pre-service teachers to develop technology skills and to become proficient in integrating technology into instructional pedagogy and planning. College of Saint Mary preservice teachers are taught to become leaders in educational technology and are encouraged to share their knowledge of technology with cooperating teachers in the field. All candidates complete EDU 201/501 Technology in the Classroom or SPE 201/510 Adaptive Technology, in which they create web sites which serve as program portfolios to monitor their growth as teachers. Candidates are required to include technology in lesson plans for field experience and clinical practice and to provide data on the growth of their students through a case study during clinical. The principles of Universal Design are integrated into all methods courses through emphasis on developmentally appropriate practices, multiple intelligences, and attention to diversity and special needs. During Clinical/Student Teaching all College of Saint Mary candidates complete a case study incorporating technology and universal design principles to support and document their own teaching practices.

Teacher Training

THIS PAGE INCLUDES:

>> [Teacher Training](#)

Provide the following information about your teacher preparation program.

(§205(a)(1)(G))

Teacher Training

1. Provide a description of the activities that prepare general education teachers to:

a. Teach students with disabilities effectively

As a part of the overview in SPE 101/501 which is Introduction to Special Education, candidates are introduced to common characteristics of disabilities and the concept of differentiated instruction and team teaching to meet the needs of diverse learners. Within this course candidates are introduced to the referral and IEP/IFSP process. Examples of SAT, MDT and IEP/IFSP forms used are within the instruction piece to acquaint candidates with the varying roles the general education teacher plays in this process. Additionally, all candidates are required to complete a 10 hour special education classroom observation in conjunction with this course. Candidates are asked to observe how the general education teacher uses technology and methodologies to reach all students within the classroom. All Teacher Education candidates are required to take SPE 240/540 which is Classroom Management and Guidance.. Within this course, candidates learn to strengthen communication skills with professionals, future students and parents. Content includes looking at communication skills needed to be part of a collaborative team of professionals. Role playing of difficult classroom situations including situations with parents, students and professionals is a part of the course. Within the classroom instruction, teacher candidates participate in mock parent/teacher conferences, and outline information needed for SAT, MDT, and IEP/IFSP meetings, co-teaching and RtI.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

All teacher education candidates at the College of Saint Mary take a general overview course SPE 101/501 and a second Special Education course SPE 240/540. Within in these two courses general education preservice teachers learn about teaching diverse learners and the referral process. As a part of the overview in SPE 101/501 candidates are introduced to common characteristics of disabilities and the concept of differentiated instruction and co-teaching to meet the needs of diverse learners. Within this course, candidates are introduced to the referral and IEP/IFSP process. Examples of SAT, MDT and IEP/IFSP forms used are within the instruction piece to acquaint candidates with the varying roles the general education teacher plays in this process. Additionally, all candidates are required to complete a 10 hour special education classroom observation in conjunction with this course. Candidates are asked to observe how the general education teacher uses technology and methodologies to reach all students within the classroom. . All Teacher Education candidates are required to take SPE 240/540. Within this course, candidates learn to strengthen communication skills with professionals, future students and parents. Content includes looking at communication skills needed to be part of a collaborative team of professionals. Role playing of difficult classroom situations including situations with parents, students and professionals is a part of the course. Within the classroom instruction, teaching candidates participate in mock parent/teacher conferences, and outlines of information needed for SAT, MDT and IEP/IFSP meetings. They work on strategies for tying these methodologies to IEP goals for successful instruction and evaluation of learning. Candidates closely examine how to utilize paraprofessional as a part of the teaching team, collaboration required to successfully co-teach, and communication needed to be a part of a collaborative referral/RtI team.

c. Effectively teach students who are limited English proficient.

Working with students who have limited English proficiency skills is embedded into many of our classes. In our Classroom Management class, students of all different abilities are discussed and finding ways to meet their needs. Also in Introduction to Education and Introduction to Special Education also introduces the students to meeting the needs of all different children with a variety of abilities. In our EDU 375 Human Relations class, many cultures are studied along with understanding how to work with all students. In their practicum, our students go to a variety of schools and districts in the metro area and they are exposed to many students who have limited English and learn from their cooperating teachers effective strategies to meet the students where they are at in their language. Our students can also add an English as a Second Language Endorsement if they want or add it on as a minor with their major program.

2. Does your program prepare special education teachers?

- ☒ Yes
☐ No

If yes, provide a description of the activities that prepare *special education teachers* to:

a. Teach students with disabilities effectively

If a student wants to be endorsed in 7-12 Special Education, they are required to take 45 hours in special education. If a student wants to be endorsed in Elementary Ed and Special Edu K-6, they will be required to take 40 credit hours in special education. The classes that are required for both programs are Introduction to Special Education, Adaptive Technology, Learners Mid/Moderate, Assessment Techniques for Diverse Learners, Guidance and Classroom Management, Instructional Strategies, Law and Ethics, Adaptive Physical Education, Critical Issues in Special Education, Diagnosis and Evaluation of Literacy, and Clinical Practice. If a student is going to pursue a 7-12 Special Education endorsement, they will also have to take Transition and Life Skills and Critical Issues II. Students have practicum hours that are attached to many of these classes that places the student in a variety of special education classrooms, for example ACP, resource, transition class and alternative curriculum classrooms.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

Students are introduced to the IEP's in their Introduction to Special Education. They continue their experience in writing IEP's and being a part of the process in their Assessment Techniques for Diverse Learners class. The students examine and practice tying IEP/IFSP process to assessment. Writing appropriate instructional strategies, goals and materials to implement IEP/IEFP objectives. In the Instructional Strategies: Inclusive Practices examine and practice tying IEP/IFSP process to instruction through modification of curricula. Students practice designing curriculum for various areas of exceptionality for special needs populations. In the Legal and Ethical Practices class, the students examine processes and use skills necessary for identifying special needs, the IEP/IFSP process, transition planning, and organizing and maintaining student special education records. In the Critical Issues class the students learn to modify lessons, find effective strategies and work in the classroom for at least 40 hours. When a student is in their clinical, they participate in the writing of IEP's and being an active member of the IEP team.

c. Effectively teach students who are limited English proficient.

Working with students who have limited English proficiency skills is embedded into many of the classes that special education students are required to take throughout their program. In the Classroom Management class, students of all different abilities are discussed and finding ways to meet their academic and emotional needs. Also in the classes, Introduction to Education and Introduction to Special Education, introduces the students to meeting the needs of all children with a variety of abilities. In our EDU 375 Human Relations class, many cultures are studied along with understanding how to work with all students. In their practicum, our students go to a variety of schools and districts in the metro area and they are exposed to many students who have limited English and learn from their cooperating teachers effective strategies to meet the students where they are at in their language. Our students can also add an English as a Second Language Endorsement if they want or add it on as a minor with their major program.

Contextual Information

On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.
