3. What is the minimum GPA required for completing the program? (Leave bla above.)	ank if you indicated that a minimum	GPA is not required in the table
4. Please provide any additional information about the information provided a	above:	
Supervised Clinical Experience Provide the following information about supervised clinical experience in 20. Are there programs with student teaching models? Yes No If yes, provide the next two responses. If no, leave them blank.	20-21. <u>(§205(a)(1)(C)(iii), §205(a)(1)(C</u>	C)(iv))
Programs with student teaching models (most traditional programs)		
Number of clock hours of supervised clinical experience required prior to student teaching	141	
Number of clock hours required for student teaching	640	
Are there programs in which candidates are the teacher of record? Yes No If yes, provide the next two responses. If no, leave them blank.		
Programs in which candidates are the teacher of record in a classroom duri	ing the program (many alternative p	rograms)
Number of clock hours of supervised clinical experience required prior to teaching as the teacher of record in a classroom		
Number of years required for teaching as the teacher of record in a classroom		
1033100111		

All Programs	
Number of full-time equivalent faculty supervising clinical experience during this academic year (IHE staff)	9
Optional tool for automatically calculating full-time equivalent faculty in the system	
Number of adjunct faculty supervising clinical experience during this academic year (IHE staff)	10
Number of cooperating teachers/K-12 staff supervising clinical experience during this academic year	187
Number of students in supervised clinical experience during this academic year	164

Please provide any additional information about or descriptions of the supervised clinical experiences:

Supervised clinical experiences prior to student teaching range from 100 to 220 clock hours. The Elementary Education program, Middle-Level program, and Secondary program each require a minimum of 100 clock hours. The Early Childhood Education Inclusive requires 185 clock hours and the Special Education program requires 220 clock hours, respectively. The average required clock hours of these five programs is equal to 141 clock hours. The numbers in the table above regarding supervising faculty and the number of students (39) reflect those involved in the student teaching segment of supervised clinical experiences. In addition to these numbers, an additional 131 candidates participated in supervised field experiences prior to/other than student teaching. Supervisors for these pre-student teaching field experiences included 9 full-time faculty, 10 adjunct faculty supervisors, and 187 cooperating teachers (including PK-12) during the year.

Enrollment and Program Completers

In each of the following categories, provide the total number of individuals enrolled in teacher preparation programs for an initial teaching credential and the subset of individuals enrolled who also completed the program during the academic year.

(§205(a)(1)(C)(ii))

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- Enrolled Student
- Program Completer

THIS PAGE INCLUDES:

>> Enrollment and Program Completers

		0
Black or African American	1	0

Race/Ethnicity	Total Enrolled	Subset of Program Completers
Two or more races	3	0
No Race/Ethnicity Reported	0	0

Teachers Prepared

On this page, enter the number of program completers by the subject area in which they were prepared to teach, and by their academic majors. Note that an individual can be counted in more than one academic major and subject area. For example, if an individual is prepared to teach Elementary Education and Mathematics, that individual should be counted in both subject areas. If no individuals were prepared in a particular academic major or subject area, you may leave the cell blank. Please use the "Other" category sparingly, if there is no similar subject area or academic major listed. In these cases, you should use the text box to describe the subject area(s) and/or the academic major(s) counted in the "Other" category.

If your IHE offers both traditional and alternative programs, be sure to enter the program completers in the appropriate reports. For the traditional report, provide only the program completers in traditional programs within the IHE. For the alternative report, provide only the program completers for the alternative programs within the IHE.

After entering the teachers prepared data, save the page using the floating save box at the bottom of the page.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

Academic Major

THIS PAGE INCLUDES:

- >> Teachers Prepared by Subject Area
- >> Teachers Prepared by Academic Major

Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2020-21.

For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area. If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

What are CIP Codes?

No teachers prepared in academic year 2020-21

If your program has no teachers prepared, check the box above and leave the table below blank (or clear responses already entered).

What are CIP codes? The Classification of Instructional Programs (CIP) provides a taxonomic scheme that supports the accurate tracking and reporting of fields of study and program completions activity. CIP was originally developed by the U.S. Department of Education's National Center for Education Statistics (NCES) in 1980, with revisions occurring in 1985, 1990, and 2000 (https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55).

CIP Code	Subject Area	Number Prepared

Teachers Prepared by Academic Major

Please provide the number of teachers prepared by academic major for academic year 2020-21. For the purposes of this section, number prepared means the number of program completers. "Academic major" refers to the actual major(s) declared by the program completer. An individual can be counted in more than one academic major. If no individuals were prepared in a particular academic major, please leave that cell blank. (§205(b)(1)(H))

Please note that the list of majors includes several "Teacher Education" majors, as well as several noneducation majors. Please use care in entering your majors to ensure education-specific majors and non-education majors are counted correctly. For example, if an individual majored in Chemistry, that individual should be counted in the "Chemistry" academic major category rather than the "Teacher Education—Chemistry" category.

What are CIP Codes?

Do participants earn a degree upon completion of the program?

No No

No teachers prepared in academic year 2020-21

If your program does not grant participants a degree upon completion, or has no teachers prepared, leave the table below blank (or **clear responses already entered**).

CIP Code	Academic Major	Number Prepared
13.10	Teacher Education - Special Education	6

SECTION I: PROGRAM INFORMATION

Program Assurances

Respond to the following assurances. Note: Teacher preparation programs should be prepared to provide documentation and evidence, when requested, to support the following assurances. (§205(a)(1)(A)(iii); §206(b))

PIHT	PAGE	INCL	UDES:
	IAGE	HACE	ODLO.

>> Program Assurances

Program Assurances
1. Program preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to tea based on past hiring and recruitment trends.
• Yes No
2. Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.
• Yes No
3. Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.
Yes No
Program does not prepare special education teachers
4. Prospective general education teachers are prepared to provide instruction to students with disabilities.
Yes No
5. Prospective general education teachers are prepared to provide instruction to limited English proficient students.
• Yes No
6. Prospective general education teachers are prepared to provide instruction to students from low-income families.
• Yes No
7. Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.
Yes No

8. Describe your institution's most successful strategies in meeting the assurances listed above:

The School of Education (SOE) has successfully embedded each of these critical concepts within one or more courses that are required for all preservice teacher candidates. The SOE continues to combine the course curriculum with field experiences that provide applicable experience in working with diverse students in both rural and urban settings and allow candidates to apply the knowledge and skills in the actual classroom with learners. ELL field experiences are currently embedded into two courses that assure that all teacher candidates will have opportunities to work with ELL students and develop strategies for impacting their learning. The ESL supplemental endorsement program was added 2017-18.

Annual Goals: Mathematics

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1) (A)(i), §205(a)(1)(A)(ii), §206(a))

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

Quantifiable Goals

THIS PAGE INCLUDES:

- >> Report Progress on Last Year's Goal (2020-21)
- >> Review Current Year's Goal (2021-22)
- >> Set Next Year's Goal (2022-23)

Report Progress on Last Year's Goal (2020-21)

1. Did your program prepare teachers in mathematics in 2020-21?

If no, leave remaining questions for 2020-21 blank (or clear responses already entered).

Yes

No

2. Describe your goal.

Peru State College will add two prospective teachers to the program in mathematics in the 2020-2021 academic year.

- 3. Did your program meet the goal?
 - Yes
 - No
- 4. Description of strategies used to achieve goal, if applicable:

Outreach through prospective student visits and meeting with students who were undecided in choosing a major.

5. Description of steps to improve performance in meeting goal or lessons learned in meeting goal, if applicable:

To continue to work with Admissions, Community Colleges, and high schools of target potential candidates for Peru State College. We leveraged data showing local area students and their mjaor of interest.

6. Provide any additional comments, exceptions and explanations below:

Review Current Year's Goal (2021-22)

8. Describe your goal.

No

Peru State College will add one prospective teacher to the program in mathematics in the 2021-2022 academic year.

Set Next Year's Goal (2022-23)

- 9. Will your program prepare teachers in mathematics in 2022-23? If no, leave the next question blank.
 - Yes No

10. Describe your goal.

Peru State College will add two prospective teacher to the program in mathematics in the 2022-2023 academic year.

Annual Goals: Science

Each institution of higher education (IHE) that conducts a traditional teacher preparation program (including programs that offer any ongoing professional development programs) or alternative route teacher preparation program, and that enrolls students receiving Federal assistance under this Act, shall set annual quantifiable goals for increasing the number of prospective teachers trained in teacher shortage areas designated by the Secretary or by the state educational agency, including mathematics, science, special education, and instruction of limited English proficient students. (§205(a)(1) (A)(i), §205(a)(1)(A)(ii), §206(a))

Yes No

10. Describe your goal.

Assessment Pass Rates

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. (§205(a)(1)(B))

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact RTI's Title II Support Center and your testing company representative.

Summary Pass Rates

The pass rates table is populated from files provided by the testing company or state. The table provides information on the performance of the students in your teacher preparation program on each teacher credential assessment used by your state. In cases where a student has taken a given assessment more than once, the highest score on that test is used. In the case of a teacher preparation program with fewer than 10 scores reported on any single initial teacher credential assessment during an academic year, the program shall collect and publish information with respect to an average pass rate and scaled score on each state credential assessment taken over a three-year period. (§205(a)(1)(B))

Please note that this page does not have an edit feature as the pass rates have already been through several rounds of verification. If you identify an error, please contact RTI's Title II Support Center and your testing company representative.

Key terms in this section are listed below. Click on the link to view the definition(s) in the glossary.

- Pass rate
- Scaled score
- Teacher credential assessment

THIS PAGE INCLUDES:

>> Summary Pass Rates

Summary Pass Rates

Group	Number taking tests	Number passing tests	Pass rate (%)
All program completers, 2020-21	39	34	87
All program completers, 2019-20	41	40	98
All program completers, 2018-19	40	38	95

SECTION IV: LOW-PERFORMING Low-Performing
Provide the following information about the approval or accreditation of your teacher preparation program. (§205(a)(1)(D), §205(a)(1)(E))

TLIC		UDES

>> Low-Performing

Low-Performing
Is your teacher preparation program currently approved or accredited? Yes No
If yes, please specify the organization(s) that approved or accredited your program: State CAEP AAQEP Other specify: PSC is currently accredited by NCATE through CAEP. CAEP renewal for PSC is fall 2022.
2. Is your teacher preparation program currently under a designation as "low-performing" by the state? Yes No

SECTION V: USE OF TECHNOLOGY

Use of Technology

On this page, review the questions regarding your program's use of technology. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:	
>> <u>Use of Technology</u>	

Use of Technology

1. Provide the following information about the use of technology in your teacher preparation program. Please note that choosing	'yes' indicates that
your teacher preparation program would be able to provide evidence upon request. (§205(a)(1)(F))	

Does your program prepare teachers to:

- a. integrate technology effectively into curricula and instruction
 - Yes

No

- b. use technology effectively to collect data to improve teaching and learning
 - Ye

No

- c. use technology effectively to manage data to improve teaching and learning
 - Yes

No

- d. use technology effectively to analyze data to improve teaching and learning
 - Yes
 - No
- 2. Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

All candidates complete the Education Technology course as part of the requirements for their program. In addition, application and uses of instructional technology are embedded throughout Education coursework required for all teacher education programs. Students are required to utilize technology to develop instruction, assessment materials, and analyze data to inform the impact on student learning, as well as demonstrate competency in using various technology platforms utilized by P-12 schools. Clinical Practice requirements ensure that technology is used to collect, manage, and analyze data in order to improve teaching and learning through the completion of the Instructional Analysis Project. The Nebraska Clinical Practice Evaluation tool assesses each of the candidates on their abilities to utilize technology to positively impact student learning. Students also use technology to develop and present their professional portfolios, which represent their ability to meet the standards established for teacher education at Peru State College.

SECTION VI: TEACHER TRAINING

Teacher Training

Provide the following information about your teacher preparation program. (§205(a)(1)(G))

THIS PAGE INCLUDES:

>> Teacher Training

Teacher Training

- 1. Provide a description of the activities that prepare general education teachers to:
 - a. Teach students with disabilities effectively

All teacher education candidates must successfully complete SPED 200: Introduction to Special Education, which prepares general education teachers to positively impact the learning of students with disabilities.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

All teacher candidates must take and successfully complete two courses to prepare them for successful participation on individualized education program teams: Introduction to Special Education (SPED 200) and Professional Collaboration with Parents and Families (EDUC 438).

c. Effectively teach students who are limited English proficient.

All teacher candidates must take and successfully complete either EDUC 334 (Teaching Reading in the Elementary) or EDUC 434 (Content Literacy Across the Curriculum) to ensure they are prepared to teach students who are limited English proficient. Both of those courses provide not only content, but hands-on partnership experiences to prepare candidates for teaching students who are limited English proficient. Beyond these courses, additional content and assessments are implemented across program coursework to address these areas and ensure that candidates have the knowledge and skills needed to meet the needs of these students.

- 2. Does your program prepare special education teachers?
 - Yes

No

If yes, provide a description of the activities that prepare special education teachers to:

a. Teach students with disabilities effectively

All teacher education candidates must successfully complete SPED 200: Introduction to Special Education which prepares general education teachers to positively impact the learning of students with disabilities.

b. Participate as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*.

All special education teacher candidates must successfully complete a required set of special education courses and experiences to ensure they are prepared to teach students with varied disabilities. The special education program offered at PSC requires 33 hours of coursework specifically in special education. All special education candidates must also successfully complete EDUC 334: Teaching Reading in the Elementary/Middle School to ensure that they have been prepared to teach students who are limited English proficient.

c. Effectively teach students who are limited English proficient.

All teacher education candidates must also successfully complete either EDUC 334 Teaching Reading in the Elementary/Middle School or EDUC 434 Content Literacy across the Curriculum to ensure they are prepared to teach students who are limited English proficient. Beyond these specific courses, additional content and assessments are implemented across program coursework to address these areas and ensure that candidates have the knowledge and skills needed to meet the needs of these students.

Contextual Information

On this page, review the contextual information about your program. If you submitted an IPRC last year, this section is pre-loaded from your prior year's report; please review and update as necessary.

After reviewing and updating as necessary, save the page using the floating save box at the bottom of the page.

THIS PAGE INCLUDES:

>> Contextual Information

Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card (see below). The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

Peru State College uses three benchmarks for teacher education programs - admission to teacher education, admission to clinical practice, and program completion. Admission to teacher education includes minimum GPAs, completion of specific courses/experiences and professional disposition interviews, background checks, portfolio review, and required Praxis CORE scores. Admission to clinical practice includes admission to teacher education in addition to minimum GPAs, completion of specific courses/experiences, a background check, and portfolio review. Program completion includes minimum GPAs and successful completion of clinical practice and all coursework. Candidates cannot complete a teacher education program without meeting all requirements for each benchmark. Field experiences begin in the sophomore year (20 hours) and continue in the junior/senior years (80-220 hours). Clinical Practice is completed in the final semester of the program and requires 16 weeks of full-day experiences. All clinical experiences require the completion of an evaluation of performance and professional dispositions, as well as a time log to ensure minimum requirements. As a result of data analysis, course curricula have been modified to more successfully address candidates' strengths and weaknesses as well as the needs of the profession. In addition, course formats have been modified to more successfully provide access to courses/programs.

Supporting Files

No files have been provided.

You may upload files to be included with your report card. You should only upload PDF or Microsoft Word or Excel files. These files will be listed as links in your report card. Upload files in the order that you'd like them to appear.

Report Card Certification

Please make sure your entire report card is complete and accurate before completing this section. Once your report card is certified you will not be able to edit your data.

Certification of submission

I certify that, to the best of my knowledge, the information in this report is accurate and complete and conforms to the definitions and instructions used in the
| Higher Education Opportunity Act, Title II: Reporting Reference and User Manual.
