WHAT IS THE FLI IN ONE WORD?
Connections to Continuous School Improvement Plan

NDE Accreditation Website
Connections to NeMTSS

NDE NeMTSS Website

NeMTSS Framework
1. What are some components of Project ASSETS that you think will benefit your district?
2. How do you think you could incorporate Projects ASSETS into your CIP?
3. What can we do to support your planning?
4. Are there barriers that we need to work together to overcome?
Top 5 ESSA Points to Remember

1. Schoolwide Title I Building-All paras MUST meet the requirements to work with students PRIOR to working with students! In Targeted Title I Building-Any para funded with Title I funds MUST also meet these requirements.

2. Coding of Staff in Federal Funded Positions-All of these MUST match: NSSRS, GMS, Bookkeeping Records, and Time and Efforts. All should have the same percentage.

3. Waivers for carryover: NDE is pursuing this request with the USED. When we hear the answer, we will let you know.

4. We are updating the Monitoring Guide Checklist based on the requirements the USED gave us during our monitoring in March of 2022.

5. Unified Grant Profile must be updated before doing anything in the GMS each year. Current contact information is vital so we can reach out to the right district personnel.
Top 5 ESSER Points to Remember

1. ESSER I allocations must be obligated by 9-30-2022.

2. Plan for Safe Return MUST be reviewed at minimum once every 6 months until 9-30-2023. Document this information. Make sure the plans are on the website and date stamp them. If changes occur with the Use of Funds, be sure to get input from stakeholders.

3. Programmatic and Fiscal Monitoring have to be done and were started during the 2021-2022 school year. Will continue this year and into the future.

4. Grant coding is important: 6996-ESSER I, 6997-ESSER II, 6998-ESSER III

5. Davis Bacon Rules DO Matter. Take a handout for specific information.
