

**Nebraska Department of Education**  
**Districts Subject to Maintenance of Equity Requirements**  
**8/26/2022**

**MOEquity** - Requires that districts can't (1) reduce per-pupil state and local funding to high-poverty schools more than the reduction in per-pupil funding to all schools. (2) reduce per-pupil FTE's to high-poverty schools more than the total reduction in per-pupil FTEs in all schools

**Exceptions to MOEquity Requirement** - Fewer than 1,000 students (KG - 12), one school per district, one school per grade span in the district, signed LEA certification (Appendix B) or Exempted by ED because of exceptional or uncontrollable **circumstances**

**Timeline for FY 23:** SEA will determine what LEA's will be subject to MoEquity for by March 2023. For LEA's subject to MoEquity the SEA will determine which districts are non-compliant by December 2023. Non-compliant Districts will have until Feb 28, 2024 to describe what adjustments will be made to be in compliance for the following year. **Note: all districts are exempt from MoEquity for FY 22.**

**Exempt Districts**
