

StayConnected

Conversations about Nebraska Afterschool featuring stories, real insights and technical advice.

StayConnected Conversations

October 20, 12:00 - 12:30 PM

School Gardens with Bloom Box

Bloom Box, a program of the Nebraska Statewide Arboretum, has scholarships available for schools to receive a 100 sq ft native plant garden + Project Learning Tree (PLT) training for 2 staff members at no cost to the school. Sarah will give an overview of what is included in a Bloom Box garden and what is required of participating schools. Jack Hilgert will give an overview of PLT and how the curriculum training works.

- Sarah Buckley, Nebraska Forest Service & Nebraska Statewide Arboretum, Sustainable Landscape Specialist for the Nebraska Statewide Arboretum, sarah.buckly@unl.edu
- Jack Hilgert, Nebraska Forest Service, Conservation Education Coordinator for the Nebraska Forest Service, jack.hilgert@unl.edu
