

FREE VENTILATION SUPPLIES FOR NEBRASKA SCHOOLS AND CHILD CARE CENTERS

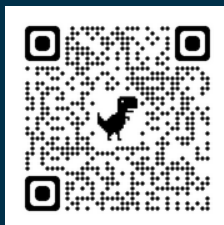

Create a healthy environment for children and staff

The Nebraska Department of Health and Human Services (DHHS) has been offering free HEPA filter machines to schools, and is now expanding this to include licensed daycares and Early Childhood Education (ECE) Centers.

For more information, go to:

[Ventilation in Schools and Childcare Programs](#)
[Creating Healthy Indoor Air Quality in Schools](#)

Order here

FREE SUPPLIES AVAILABLE TO ORDER:

- HEPA filter machines: For classrooms, lunchrooms, break rooms, and the health office. Consider areas where students and staff congregate.
- Replacement filters for HEPA machines
- Filters for HVAC systems
- Child sized masks

Funding for ventilation supplies provided by a CDC grant.
