

Harvest of the Month

BISON

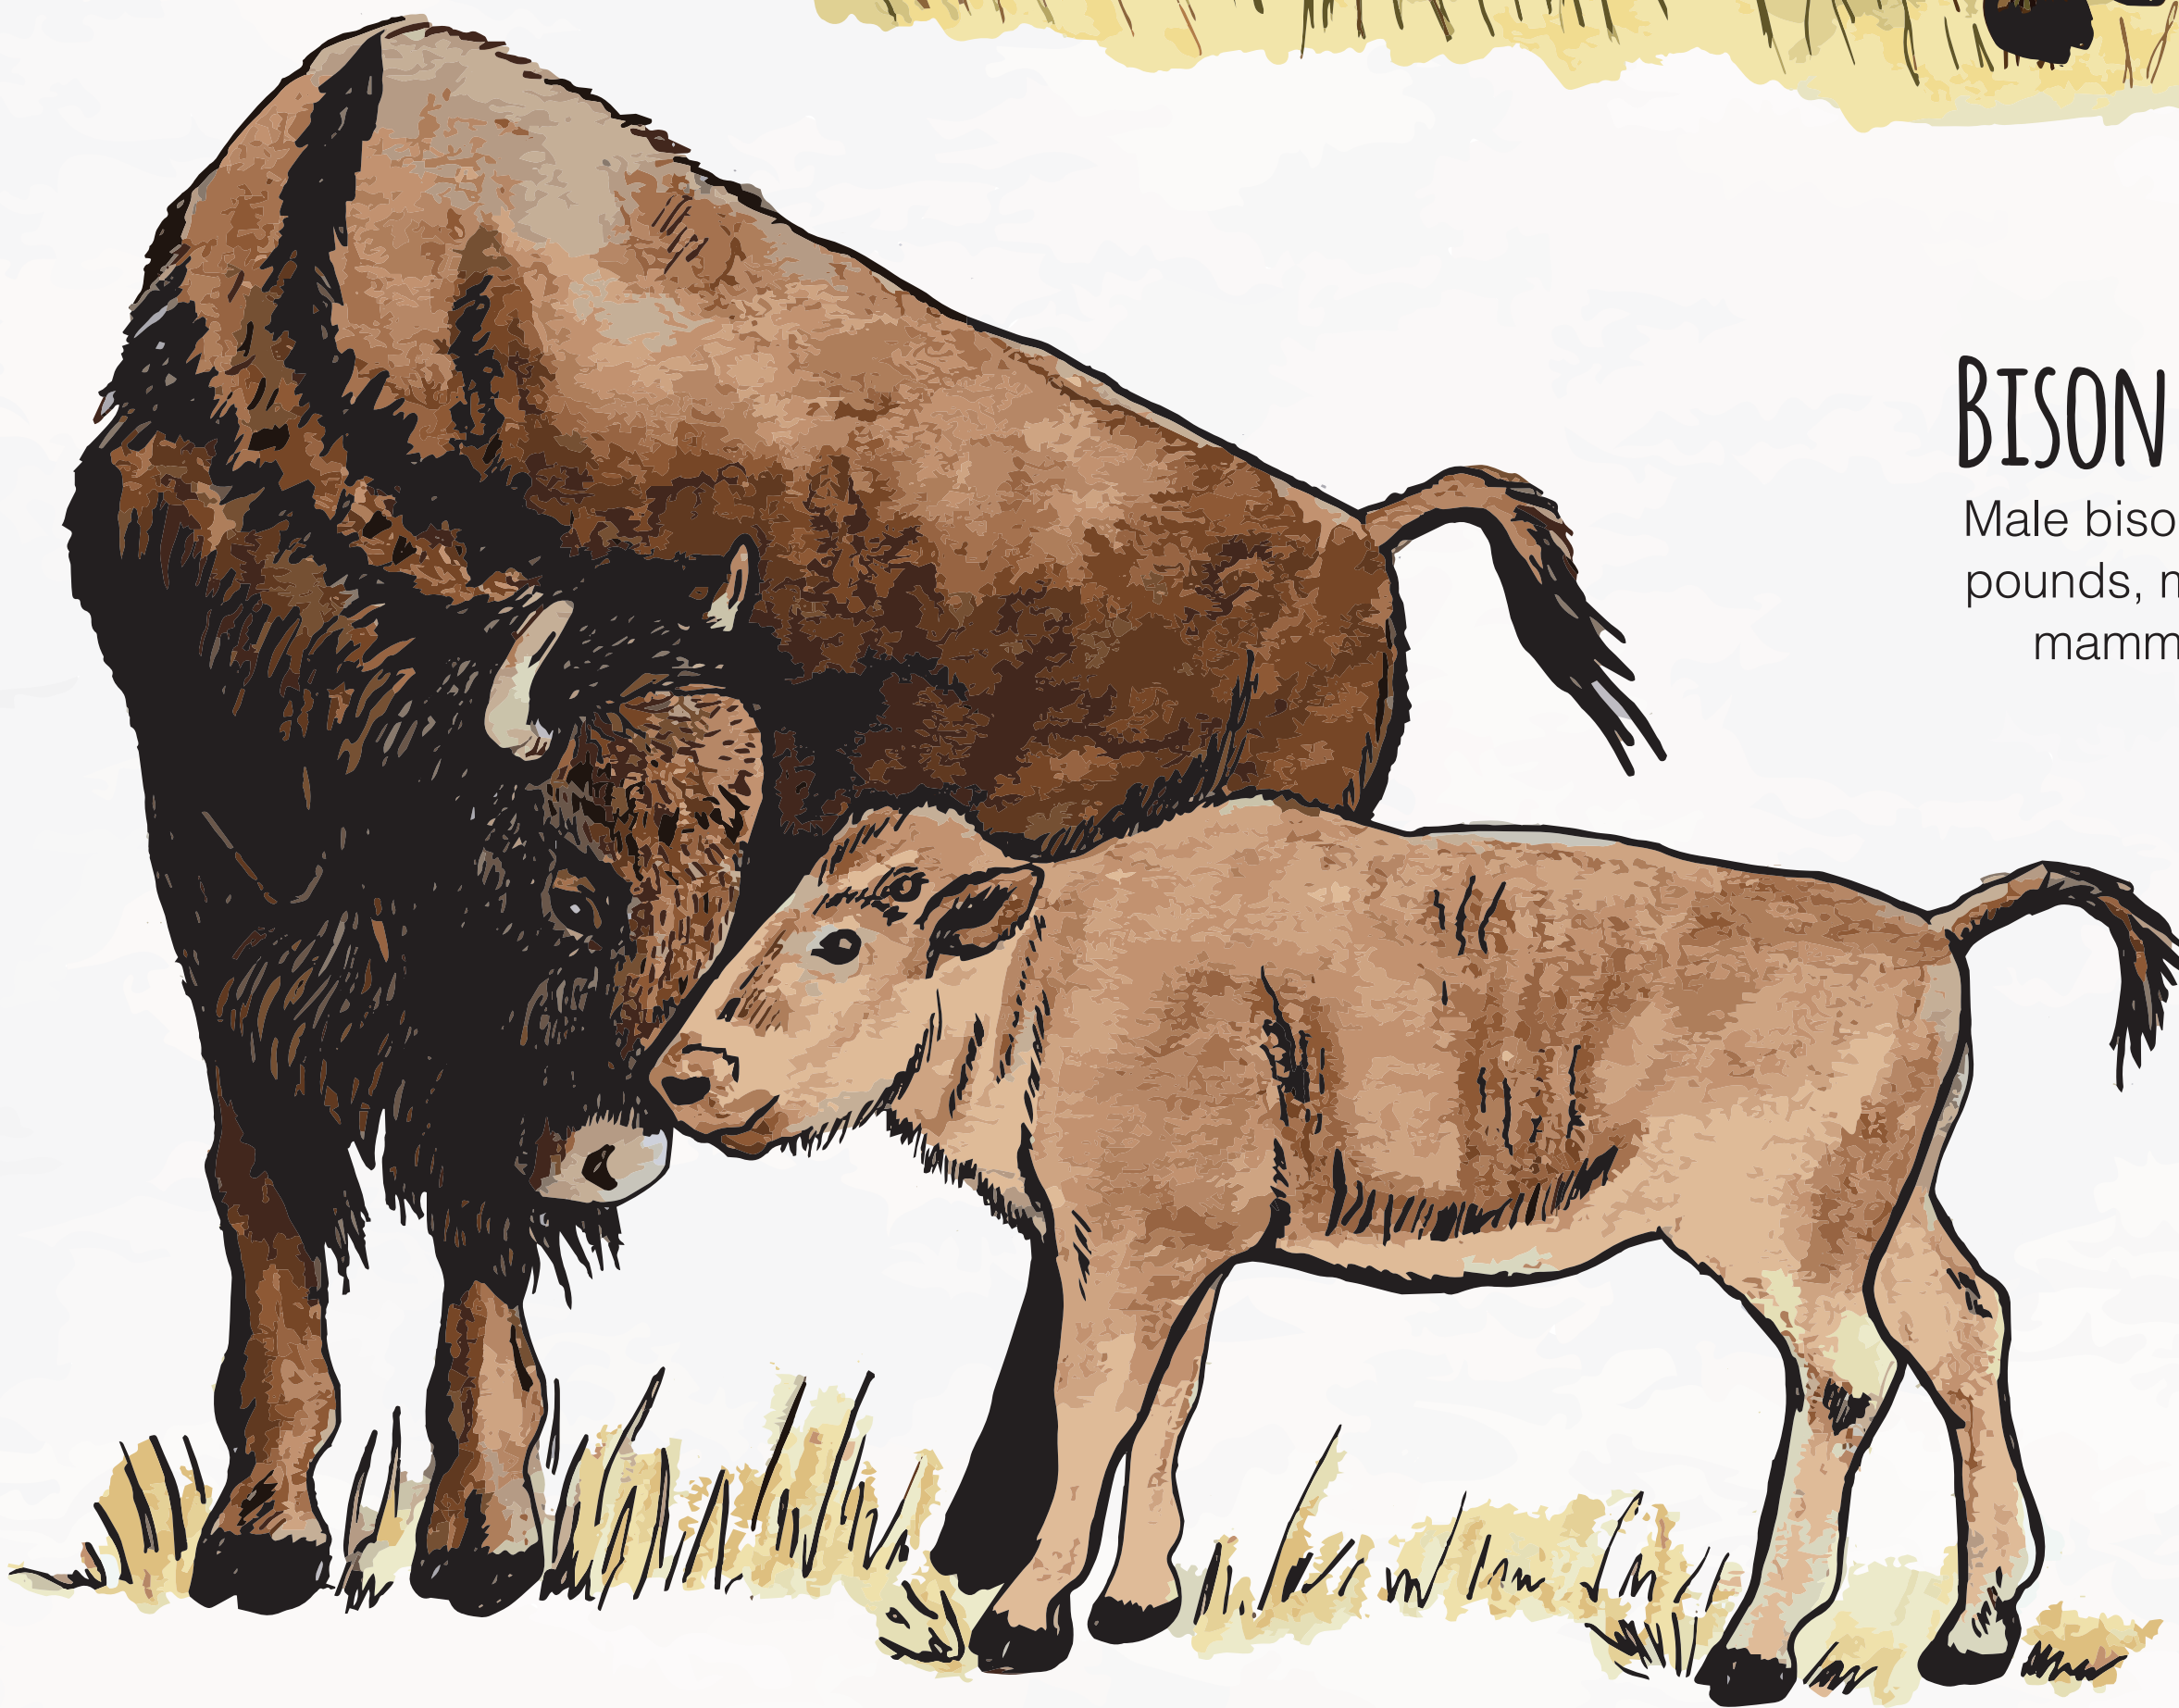

HISTORICAL TIDBIT -

In prehistoric times, millions of bison roamed the US but only 325 were estimated to exist by 1884 after European settlers arrived. Today, an estimated 500,000 bison exist across all 50 states.

BISON WEIGH A TON -

Male bison can weigh over 2,000 pounds, making them the largest mammal in North America!

Farm to School
NEBRASKA

DID YOU KNOW -

In addition to being a source of food, clothing, and shelter, bison are honored in many Plains Indians' traditions to teach about the importance of harmony with nature.
