ADVANCING HEALTH EQUITY IN OUT-OF-SCHOOL TIME

VIRTUAL INSTITUTE

Join the Collaborative for Advancing Health Equity in Out-of-School Time for a virtual training series designed to support out-of-school time (OST) programs with increasing access to healthy eating and physical activity for youth. Participants will learn how to leverage existing quality standards, such as the Healthy Eating and Physical Activity Standards (HEPA), assessment tools, and data, to capture current activities that support the health and wellbeing of youth. Participants will also explore strategies for bringing partners together to determine priorities for advancing health equity. There will also be time allotted for action planning.

AUDIENCE

OST program leaders, local and regional OST intermediaries, 21st CCLC grantees, school districts and school staff working in OST

TIME

Session 1: ASSESS

November 29 3:00-4:30pm EST

Optional Workshop

December 13 3:00-4:00pm EST

Session 2: Plan & Take Action
