## MISSION

Our mission is to fight for justice and opportunity for all Nebraskans. We take a systemic approach to complex issues – such as child welfare, immigration policy, affordable health care and poverty.

## EXAMPLES OF PROJECTS

Nebraska Appleseed's Food and Nutrition Access team facilitates the Nebraska Student Nutrition Action Committee (SNAC - <https://state.nokidhungry.org/nebraska/nebraska-snac/>) whose mission is to ensure every child in Nebraska has access to the food they need to learn and grow.

For After School programs we:

- work to promote and implement after school snacks and suppers for program providers,
- offer technical assistance to program providers on meal service,
- make peer to peer connections, and
- provide limited grant opportunities to launch or expand after school snacks and suppers.
