MISSION

Beyond School Bells builds partnerships leading to policies and actions at the state and local levels resulting in more high-quality afterschool and summer programs for underserved youth in communities across Nebraska.

ACTIVITIES

Three Beyond School Bells activities that support Nebraska afterschool and summer programs:

- Coordinate Nebraska's Expanded Learning Opportunity (ELO) Innovation Network including support for both new and expanding ELO programs
- Support programming and capacity development in communities across the state
- Launch new statewide programming initiatives in targeted areas including STEM, Environmental Education, Entrepreneurship, Career Exploration and Family Engagement
