

# Nebraska Two-Year Opportunity Grants

April 8, 2022 through June 30, 2024

GRANTEE

Collective for Youth - Esports

## OVERVIEW

E-Sports will engage the students in various aspects of the sport which consists of gaming, career awareness and social emotional learning skills. The students can learn about the careers of game developers, graphic designers, marketing, and sales. The understanding of self-awareness, social awareness, responsible decision making, self-management and relationship skills will advance their SEL skills to allow them and their teammates to have an enjoyable gaming experience. The student ratio is currently 1:7 which allows the staff to coach the students to create strategies and gaming plans.
