

# Nebraska Two-Year Opportunity Grants

April 8, 2022 through June 30, 2024

GRANTEE

Collective for Youth -  
Program Providers

## OVERVIEW

Collective For Youth will provide the opportunity for twelve providers to provide programming to twenty elementary sites one to two days per week. The providers all have a different element / curriculum they will utilize to engage students including: coding, tech careers, STEM, social emotional learning skills, wellness (soccer, tennis, and fitness) and visual arts (writing, dancing, and theatre). Students will also learn about recycling, water pollution and waste production.
